

Chapter: 1149

Hearing this, Bai Yi was already in tears, and said angrily: “When is it, are you still so self-righteous? Kill them? Do you have no idea how many catties you have?”

She was really to Lin Fan at this time. I was extremely disappointed. That was the God of the Three Great Wars in China. Why did Lin Fan, a little son-in-law, say to kill them?

Even now, if there were no such people as Dragon, Tiger and War God to stop them, they would have been brutally attacked by the Huangfu Family.

Fortunately now, the Dragon and Tiger God of War can resist the Three Great Wars for a moment. At this time, Lin Fan didn’t want to run away, but still arrogantly said that she would kill the Three Great Wars. How could Bai Yi be angry?

This is simply a praying man’s arm as a car, overwhelmingly self-reliant! Lin Fan couldn’t laugh or cry, but didn’t know how to explain to Bai Yi:

“My wife, I mean, I have a way to deal with them. You wait for me at the door first, and I’ll come out soon!”

“I won’t go!”

Bai Yi Staring at Lin Fan, he said with a flat mouth.

Lin Fan had no choice but to stand up and begged: “Wife, you just believe me this time, I’ll definitely go to you in a while.” With such a look, Huang Fuxuan and the others sneered. This guy is really a soft rice king, a wife slave. !

Bai Yi glanced at him deeply: “If you don’t come, I won’t go! You’re looking for death, I’ll accompany you to die!”

Then, Zheng Honglian and others walked out of the room.

Such a terrifying coercion is simply not something ordinary people like them can bear. If they continue to stay here, it is very likely that they will bleed and die.

At this time, Huangfuxuan stared at Lin Fan with bitterness:

“Lin Fan, don’t die too fast, because I still want to play with your wife fiercely in front of you, hahaha!”

Sima Hongrui also sneered: “Even if it’s me, facing the coercion of the great masters, I can only retreat and want to watch the battle because of your waste? It’s almost death!”

But at this time, Lin Fan smiled slyly and said: “When I push the door, all of you will...”

“Kneel down!”

“Lead to death!!!”

What!

Huangfuxuan and others all changed their expressions, and then burst into laughter.

“Let us kneel down collar dead, do you think God mad adults are vegetarians do? Oh no, not so mad god to adults, you will die in this waste under coercion large master! Ha ha ha!”

“Do not Take care of this idiot, since he wants to die, let him go, let’s go!” The two families laughed loudly, with a deep disdain on their faces, and didn’t even take Lin Fan’s threat to heart. on.

Then, a group of people left the meeting room.

At this time, after hearing Lin Fan’s conceited words, the three great war gods had a deep disdain on their faces, and at the same time they coldly looked at Lin Fan who was sitting back on the chair and still facing them with his back.

“Ant, just because you want to watch the Great Master’s battle? You don’t know whether you live or die!” The Demon Tu and War God snorted coldly, murderously high.

Just now!

Lin Fan smiled slightly: “Grand Master? Can be destroyed by a finger!”

What!

The three war gods suddenly changed their expressions, and then a fierce murderous intent suddenly appeared in his eyes, and he was completely angered.

This rubbish, dare to despise them?

“Small miscellaneous pieces, you are looking for death!” The Demon Tu and the God of War jumped like thunder, and the terrifying coercion belonging to the great master was like a volcanic eruption, surging in an instant.

Furious and domineering!

In the next instant, the Demon Tu and War God came out of the cage like a fierce tiger, and when he grabbed it angrily, he grabbed Lin Fan angrily, intending to completely wipe out this ignorant boy!

Simultaneously!

Outside!

Bai Yi and the others, after hearing the roar of the Demon Tu and War God, immediately turned pale.

“Hahaha, Bai Yi, the Demon Slaughter God of War has taken action, and your trash husband is dead!”

Huangfuxuan smiled happily, with a thick hideous look on his face!
