

Chapter: 1154

By the next day, Lin Wanqiu took Chen Feng to see Ye Ziqing, her face was still very tangled, it seemed that she was still unwilling.

Chen Feng whispered in her ear: "If you don't want to, then forget it."

But Lin Wanqiu shook her head directly, and said, "Go, I'm not the kind of stingy girlfriend. I just borrowed it for a day. I can hold it back."

But looking at his expression didn't mean it at all.

Chen Feng wanted to laugh too, but he still had some plans in his heart, so he couldn't really refuse it.

"Hey, I've already brought the people, so you can figure it out by yourself afterwards." When facing Ye Ziqing, the whole person seemed to have a different face, and he couldn't see the entanglement just now, as if he was generous. Look like.

Ye Ziqing quickly thanked: "I know Wanqiu is the best to me."

"Don't get me wrong, I just lent him to you for a day. By tomorrow, he will have nothing to do with you."

"I know, this is the man you keep on your mouth. Even if I have the courage, I don't dare to grab your boyfriend!"

Lin Wanqiu only calmed down a little bit: "You know it."

Before leaving, Lin Wanqiu gave Chen Feng a special look, as if to warn him not to do anything beyond the boundary.

When only Chen Feng and Ye Ziqing were left, Ye Ziqing asked, "Don't be nervous, my parents are very good. Now as long as the other person is a man, they can basically agree, so you don't have to worry about anything, just ask. your business."

Chen Feng was speechless, could it be so casual, and didn't know how much Ye Ziqing's parents wanted Ye Ziqing to marry.

"Why should I be nervous? Even if it is messed up, you will end up in the end, but you can pat your butt and leave."

Ye Ziqing didn't seem to have thought about the mess, but thinking of this possibility, she said to Chen Feng again.

"You still feel a little nervous, at least leave a good impression in front of my parents, so that's it, I don't want to look back and be criticized by them again."

Seeing Ye Ziqing speaking seriously, Chen Feng said, "Have you really never had any boyfriend before?"

Ye Ziqing shook his head and said, "No, I always think it's useless to have a boyfriend. I can do everything by myself. I still need a man to do."

"It may be a kind of company!" Chen Feng smiled when he sat in the driving position.

"Why don't you let me drive!" As she said, she can do everything by herself, even this time.

Chen Feng smiled and said, "If you drive back and show it to your parents, you might suspect something."

Ye Ziqing thought about it, and said, "What you said makes sense, then you can drive. However, I have never made your car. You should not be the kind of driver with road rage."

"no."

"That's good." Ye Ziqing relaxed and took the seat of the co-pilot.

But what she didn't know was that if Chen Feng encountered such a thing, the other party would not be able to catch up with him.

After the car started up, Ye Ziqing continued the topic just now and said, "You said men are for company? If you need it, I shouldn't need it. I have three dogs and two cats. If there is one more For men, there may be no place." This chapter is not over yet, please click on the next page to continue reading! Page 1 of 2

Chen Feng was told that he didn't know how to continue. He thought about it and said, "But compared to humans, animals are still unable to accompany them like humans. No matter their lifespan or communication, no one seems to come easily. "

"But again, they won't cause me any trouble, they won't quarrel, they won't fight."

"I don't think this is a problem. Arguing is okay. After all, two people need to get together slowly. Arguing is to let each other know who the other person is.

Just like Lin Wanqiu and I, although we still quarrel, we will soon reconcile, and our relationship will be better. "

This time it was Ye Ziqing's turn to be silent, and she didn't seem to want to talk about this topic.

After a long awkward silence, Ye Ziqing said, "If one day, when I suddenly want to find something, can I ask you about how to get along with boys?"

Chen Feng was stunned for a moment, but he didn't feel that this request was so sharp that he couldn't agree to it.

He nodded, and said, "It's totally possible."

"But if that's the case, won't Wanqiu be angry?"

This is a question. Lin Wanqiu still likes to be jealous. Chen Feng smiled and said, "Then simply, don't meet, just ask a few questions. She should be quite generous."

Maybe Ye Ziqing also thought of Lin Wanqiu's angry look, and she giggled.

The two bought some gifts in the supermarket. Although Chen Feng wanted to pay, Ye Ziqing took the initiative to pay, and the reason was that this was done for her, and the money was even more difficult.

Chen Feng went out, and Chen Feng was right to think about it, but he didn't insist.

Bringing fruit, milk, tobacco and alcohol, and a box of high-end skin care products, the two came to the door.

Ye Ziqing's father is a retired veteran cadre, with a bit of majesty, the family is still wealthy, and his mother is a teacher. He is now retired, but occasionally he still makes up lessons for the children in the community.

When they went to the door, the two adults had been waiting early in the morning. When they opened the door, they saw an aunt who looked very young.

Chen Feng naturally gave a sweet cry.

"Auntie, hello."

"Come on, bring something else, these things must have cost a lot of money."

"It's not expensive, it's all simple things, mainly just a little heart." Chen Feng laughed.

With that said, Lin Qiuniang was about to come up to take the things in Chen Feng's hands. Ye Ziqing hurriedly took her mother and said, "Don't give you these to do. It's the first time he comes to our house. If he is too polite to him, he will Despise me."

Lin Qiuniang scolded with a smile: "You kid, there are you who talk like this."

He said that he had to take over the things in Chen Feng's hands.

"No, auntie, just tell me to put it there."

Lin Qiuniang had not twisted, so she pointed to the study and let Chen Feng put it in.

This house is not big, but the old house allocated, everything seems to be in order.

At this time, I looked towards the living room and saw a serious old man. I knew it was a man of vigor. I thought I was a leader before I came here.

Chen Feng also hurriedly said hello, but Ye Haidong seemed much colder, he just nodded.
