what!

Yanzishan's face was suddenly extremely ugly.

How dare this poor ghost threaten him?

Immediately, a sharp look was wiped in his eyes, and he angrily rebuked

Lin Fan:

“Dog stuff, do you dare to stop me, do you know who I am?”

In this Yifan Chinese and Western Hospital, no one has ever dared to be disrespectful to him. .

“I know!”

Huh?

Yanzishan was stunned immediately. The other party knew who he was, and even dared to be disrespectful to him?

But at this time, Lin Fan's eyes burst with cold light:

“A disabled person!”

What!

Yanzishan's expression suddenly changed, and seeing Lin Fan's scarlet eyes suddenly had an ominous premonition!

then!

Click!

There was a crack in the bone, and the horror sounded!

“Oh!!”

An arm was snapped off at the response, Yanzishan suddenly howled like a pig, and the whole face was crazily distorted due to pain.

Yanzishan was really disabled.

Then, Lin Fan kicked him out.

Wow!

In the ward, all the doctors, nurses, and patients were shocked after seeing this scene, and almost urinated on the spot.

This guy, he dared to beat Yanzishan to be disabled?

Yanzishan is the son of a certain wealthy family in Longcheng. A terrible family is hidden behind that wealthy family. Therefore,

Yanzishan's family is in Longcheng.

But Lin Fan, an ordinary person, beat him into a crippled man, this is simply looking for death!

With Yanzishan's instinct that canthus will repay Lin Fan, he will definitely retaliate against Lin Fan. When that happens, not only will

Lin Fan be unlucky, even his family will be destroyed.

Everyone immediately cast a contemptuous look at Lin Fan. This guy is too knowing how to live or die. Even Yanzishan dared to offend

him. Then he was afraid that he didn't even know how to die.

However, Lin Fan didn't care about their ridiculed eyes at all, stroking

Xun'er's face distressedly:

“Does it hurt?” Xun'er was about to cry aggrieved, but stubbornly

shook his head:

“Big brother, Xun'er doesn't It hurts!”

She knew that once she said she was hurt, her elder brother would be worried.

But at this time, Lin Fan saw that Xun'er's face was completely red and

swollen, and the blind woman's nose was also swollen.

Immediately!

In Lin Fan's eyes, there was a terrible rage. He didn't expect Yanzishan to be so frantic. Not only did he snatch his own medicine, but even a

child and an old man would not let it go.

“My hand, you...you dare to abandon my hand?”

Yanzishan's eyes suddenly cracked, and his face glared at Lin Fan:

“I tell you, I am the richest man in Longcheng, the son of Yannan Tian.” , Our family is backed by the hidden family Nalan family, I want

you to die without a place to bury!”

Boom!

As soon as this remark came out, the audience was suddenly shocked!

All of them were shocked, their legs were so frightened that they almost fainted!

Nalan's house?

The Yanzi Mountain backed by it turned out to be the Nalan family?

The Nalan family has a history of hundreds of years. It is a descendant of the former royal family. It has a strong background and is like a

cloud. It has a long reputation throughout China and is a veritable clan.

Moreover, their wealth can be called a huge amount. It is no exaggeration to describe the country as rich as the enemy. The major

legions in the south of the Yangtze River have military support from the Nalan family every year. Therefore, the Nalan family is already

powerful in the entire south!

One word is enough for the entire south to be surging!

None of the people present had expected that the backing of Yanzi Mountain turned out to be such a behemoth as the Nalan family.

In an instant, everyone Qi Qi cast a glance at Lin Fan like a dead person.

This guy is dead!
