

Chapter: 1182

what!

Lin Fan's words made everyone present visibly stunned, and then they burst into laughter!

"Come to you? Are you saying that the reason why the four giants came to Jiang City is to find you as a waste?"

"You are a son-in-law who comes to your door, a little white face who eats soft rice, what qualifications do you have to let the Patriarch of the four giants come here in person? Looking for you?"

"This rubbish, it's crazy, it's starting to be whimsical! The four masters came to Jiang City, obviously because we separated from the Bai family!" The Jiang City elders, the Bai family and others in the field are all With a sneer, his face was full of disdain.

And this!

Immediately, Sima Longming and the other three Patriarchs made their faces extremely gloomy!

waste?

Little white face?

How dare these people insult their king so much?

At the moment, they looked into the eyes of the old man Bai and the others, and they were full of anger. As slaves, they were naturally honored with the master, and shameful.

"Shut up all to me!"

Sima Longming suddenly roared furiously.

At this time, everyone also noticed that the expressions of the three Patriarchs were extremely gloomy, and they were obviously extremely angry.

At the moment they thought that the three Patriarchs were angry because of Lin Fan and his wife, so the grinning on their faces became more intense.

The old man Bai also looked at the Bai Yi couple, his face also appeared like a watchdog's disgust, and said respectfully:

"Three patrons, please calm down, I will chase out the two broom stars now! So as not to let these two A disgusting guy, stained your eyes. "

Boom!

As soon as this remark came out, the three major heads were suddenly cracked, and the expressions on their faces were already completely hideous because of anger!

The Bai family actually regarded the king of the dignified blood prison as a broom star?

Are these people idiots?

And just when Mr. Bai planned to continue to insult Lin Fan.

"Get out!"

Sima Longming suddenly changed the kindness and flattery he had just now, and violently pushed the old man Bai away!

The latter staggered and almost fell to the ground.

what!

Everyone was stunned at once, looking at Sima Longming in disbelief, as if they couldn't believe how this amiable old man could suddenly change his face like this.

Not only him, the other two Patriarchs also looked at the Bai family with disgust!

then!

The three Patriarchs pushed away the Bai family in disgust, and then Qi Qi walked towards Lin Fan and Bai Yi.

This scene immediately caused the Bai family to be puzzled!

Not just them!

Even the three big youngsters and the big bosses present didn't understand what the three Patriarchs really wanted to do.

But right now!

The horrifying scene happened suddenly!

Everyone in the room was so distraught that they couldn't believe what they saw.

See you!

The three Patriarchs, leading dozens of people, walked to Bai Yi and Lin Fan mightily.

Then, under everyone's almost crazy gaze, they all bowed and saluted Lin Fan in unison:

"Mr. Lin, Miss Bai Yi, let you wait a long time!"

Boom!

When these words sounded, the entire banquet hall was completely plunged into a dead silence, and everyone was almost frightened crazy at this moment.

This must be an illusion!

He unexpectedly saw that the three Patriarchs who were supposed to put the Lin Fans to death, bowed to the Lin Fans?

Bow to waste?

how can that be!

"Lin...Lin Fan and the others, this is impossible!"

At this time, the faces of the old man Bai and others were full of disbelief, and there was a sudden ominous premonition in his heart!

Did the four giants come to Jiang City really to split up for their Bai family?

At this time, the heart of the old man Bai was beating wildly, and he only felt that every pore in his body was trembling madly.

At this time, Lin Fan glanced at the three of Sima Longming lightly:

"You guys, you can announce it!"
