

TODAY, I GIVE UP TRYING

Chapter: 1202

understood!

Everything is understood!

No wonder the blood prison mad god came out to question the opponent.

It was a violent shot, and it was hit hard in an instant!

Just because the guy in front of you is a fake!

At this time, everyone suddenly woke up like a dream!

The mad god of blood prison was cultivated by the king of blood prison alone, how could the master lose to his apprentice?

How could the man who claims to be the strongest man in the world be defeated?

And the blood prison mad god, as the first fierce general of the blood prison king, how could he not know him?

All deceived!

After realizing this, Lin Guangyao, Yanzishan, and the Bai family suddenly felt fainted.

They originally thought that Lin Fan, posing as the King of the Blood Prison, would undoubtedly die today.

But who ever thought that the real person who pretended to be was not Lin Fan, but the counterfeit in front of him!

Puff!

Knowing that the incident was revealed, the counterfeit suddenly weakened his legs and knelt in front of the mad god of blood prison, trembling crazily.

Even the voice was crying:

“No... don't kill me! I know I was wrong, I don't dare anymore!”

Boom!

This action completely confirmed a fact!

This guy is really a fake!

See it!

Sima Yan'er felt a little grateful in her heart. It seemed that the news was true. Her savior was really the King of the Blood Prison, but the shameless scum in front of her was just a fake.

Now!

The Yanzishan and others, who were originally arrogant and proud, had a face of ashes at this moment, and they could no longer suppress the fear in their hearts.

Especially Lin Guangyao!

After learning the bad news, he was completely frightened and paralyzed to the ground, his heart beating violently with horror, and the dense cold sweat flowed down his forehead continuously.

What he has always believed in turned out to be a fake?

Nowadays, the counterfeit goods have been exposed, angering the entire blood prison, and they will definitely not end well.

And he is very likely to be implicated!

Even what he has obtained now will disappear!

That's it!

He is completely finished!

For a moment!

Everyone suddenly thought of something, and then one after another looked at Lin Fan with terrifying gazes.

“You shouldn't have come to China!”

“Come, you will die!”

When Lin Fan said these two sentences, everyone just thought it was ridiculous and didn't take it seriously.

But now, what Lin Fan said has been fulfilled!

what is this?

It's almost as if he is the King of the Blood Prison!

It's so incredible!

And just now!

An even more terrifying scene happened when the blood prison mad god looked at Lin Fan at this moment.

It looked like it was asking Lin Fan's opinion!

This simply made the scalp numb of everyone present, and an extremely crazy idea emerged in their hearts one after another!

That is: This guy, shouldn't he really be the King of the Blood Prison?

Even Sima Yan'er looked at Lin Fan with horror and excitement, how she hoped that Lin Fan was the King of the Blood Prison.

In this way, even if it was really taken away by him for the first time, then he has no complaints!

At this time, Lin Fan sneered and said, “Just now, he insulted my wife!

Even more so, he asked my wife to go to bed with him!”

Boom!

A simple sentence, but it caused the blood prison mad gods and other blood prison powerhouses to completely explode!

Insult the queen?

Let the queen go to bed with this waste?

A counterfeit, dare to humiliate the deity so much, this... it's damn it!

then!

The blood prison mad god stared at the counterfeit with cruel eyes:

”Pretending to be the king of the blood prison, you...damn it!”

Hear this!

The counterfeit goods suddenly fell into an ice cellar, and a yellow soup instantly flowed out from under his crotch.

He cried and kowped his head frantically: “I'm sorry, I was wrong! You lift up your hands and spare my life, you can let me do anything!” I regret it!

I really shouldn't have come to China!

He was obviously able to use his reputation as the King of the Blood Prison to be a prestige overseas, but he wanted to fight for that moment and come back to kill Lin Fan, a “fake.”

This is simply looking for death!

But at this time, the blood prison mad god had already strangled his throat with both hands, and slowly lifted him up...

and then suddenly pulled!

The head is so good that it was taken off!
