The heart that made them fear completely collapsed.

They reacted in an instant. It turned out that those existences with hands and eyes open to the sky, the reason why Bai Yi was so favored

by Bai Yi was all because of the King of Blood Prison!

crazy.

how can that be!

Even if Bai Yi had some abilities, but he had no background and was not a masterpiece, how could he be eligible to be favored by the

underground emperor who ruled the dark world?

You know, the spokesperson of Blood Prison in China, without exception, has a shocking background!

For example, the Xiao family, the spokesperson of the Blood Prison in Jiangbei, is a wealthy family with a history of nearly a thousand years. It

has been in business for generations and has endured for a long time. It has ruled Jiangbei for four hundred years.

In this way, it is barely qualified to be the title of spokesperson!

But what does Bai Yi have?

This is simply a fantasy!

Regret it!

Only after Yanzishan learned of Bai Yi's identity and background, did he realize how stupid he was.

Now!

He was about to freak out, crying to Lin Fan and Bai Yi begging:

“Don't kill me, please, I have been turned into a useless person!”

He really regretted it!

I shouldn't offend Lin Fan. If he hadn't offended Lin Fan, how could he have his legs broken, and even an arm torn off?

Lin Fan spared his life, but he still retaliated against Lin Fan recklessly and swallowed his property together with the Bai family.

Even if the counterfeit was revealed just now, he still imagined that Lin Fan could be broken into pieces.

This, it is the extreme to find death!

He is now a useless person!

Only with Lin Fan's forgiveness can he have such a glimmer of hope of surviving.

but!

At the corner of Lin Fan's mouth, a bloody smile appeared:

“But I hope you will become a dead person!”

What!

These words immediately made Yanzishan's expression completely ashamed!

Lin Fan's understatement indicates that his life is about to end at this moment!

Immediately afterwards, under the extremely horrified gazes of the people, the blood prison mad god slammed directly on the head of Yanzishan.

It made his head burst open!

Splashing brains!
