Because he has already learned from the old man’s mouth that Bai Yi, a woman, has an extremely terrifying background!

Whoever dares to offend will undoubtedly die!

Even his father-in-law is no exception!

In particular, among some of the top powers in Jiangnan, there are some rumors that the mysterious existence standing behind Bai Yi is actually...

the King of the Blood Prison!

This message directly caused Hua Tiancheng to panic to the utmost. Only then did he lose face, and knelt before Bai Yi like a dog, begging for forgiveness.

Because he knows it!

If he angers the King of Blood Prison, he doesn’t even know how to die!

Now, as long as Bai Yi can get forgiveness, even if he kills Lee Sang Hyuk, he will do it!

This idiot humiliated the person whom the King of the Blood Prison fell in love with, that is...death is not a pity!

what!

With these words, Lee Sang Hyuk’s face was ugly, and his whole body was completely tense at this moment.

Hua Tiancheng, this damn bastard, actually intends to kill him?

Is this planning to use him to please Bai Yi?

But this time!

But before Bai Yi could speak, Lin Fan smiled and said:

“If you kill it, you will be spared. Give me a crippling blow to his legs!”

Boom!

Upon hearing this, Lee Sang-hyuk completely exploded his hair, his eyes were full of resentment, and he stared at Lin Fan firmly:

“Trash, you!”

This damn trash, even dared to let Hua Tiancheng break his leg, he was looking for death!

“Understand!” But Hua Tiancheng nodded suddenly, winking at his bodyguards.

Da da da!

Immediately!

A group of bodyguards slowly walked towards Lee Sang Hyuk.

Every step seemed to step on Lee Sang Hyuk’s heart, making his whole body trembled frantically, and he was almost scared to pee on the spot.

“You...what do you want to do? Hua Tiancheng, I am the eldest son of the Li family, and my Li family is backed by the Xiao family, the lord of Jiangbei. Do you dare to move me?”

Just!

Not waiting for Lee Sang Hyuk’s second sentence!

Click!

One of the bodyguards swung his army stick, slammed into his knees fiercely, and smashed them angrily.

Ouch!!!

Lee Sang Hyuk collapsed to the ground on the spot, screamed like a pig, and hugged his legs, shaking crazily.

A face was completely distorted because of the pain, and that face was even more somber, and it looked particularly terrifying.

“Hua Tiancheng! Bai Yi! I want you to die! I must want you to die!”

Li Xianghe was already crazy, roaring hoarse, his eyes full of viciousness.

He is the eldest son of the Li family. No one has ever dared to touch his hair since he was a child. How dare these bastards actually abolish one of his legs?

Damn it!

It’s damn it!

However, his threat was to make Hua Tiancheng smile coldly!

Click!

The second bone crack, suddenly came out!

Then, everyone saw that Li Sang Hyuk raised his head and screamed in pain. The two legs were already bloody, and wisps of blood continued to flow from them.

Seeing such a miserable Lee Sang Hyuk, Wen Qian was completely frightened.

It was the first time she saw that someone dared to treat Lee Sang Hyuk like this, and she was worried that she would be the next one, and she didn’t even have the courage to stop it!

And just now!

Hua Tiancheng suddenly turned his head and stared at Shu Lan firmly:

“Shu Lan, you are so brave! You dare to drive away customers and cause the group to suffer a huge loss!”

“General Manager Hua, I...” Shu Lan suddenly whole body After shaking fiercely, he wanted to explain.

But Hua Tiancheng didn’t give her this opportunity in the slightest!

“Needless to say!”

Hua Tiancheng had a terrifying face, and roared in a low voice:

“All the losses suffered by this 4S store today will be borne by you alone!”

“You, prepare to sell the house !”
