

# Chapter: 1229

boom!

A series of terrible auras emerged, and several figures appeared in the crowd in an instant.

It turned out to be three masters!

A thick hideous color appeared on Li Sang Hyuk's face. Since Lin Fan broke his leg last time, he has summoned Li's nearest master and rushed to Jiang City.

And now!

He wants to take revenge for the broken leg and completely crippled Lin Fan!

Seeing the menacing three men, Bai Yi's face suddenly turned pale, and there was an urge to turn around and run away!

And this time!

Lin Fan patted her back with one hand, and then looked at the other three people indifferently:

"Five meters in front of me is the limit. Those who cross the boundary... die!!!"

Boom!

Lin Fan's words are full of endless arrogance and domineering!

It seemed that as long as he wanted to, he could smash all the corpses in front of him!

just!

His words fell in the ears of everyone, but they looked extremely funny, and they were simply idiots.

At the moment, Wen Qian, Li Xianghe, and everyone present looked at Lin Fan as if they were looking at an idiot, with extreme contempt and disdain.

"Hahaha..."

Lee Sang Hyuk laughed loudly, as if he heard a big joke:

"Lin Fan, do you really think you are invincible? You are just a master, and now I have three Grandmaster, it's easy to kill you!"

"You still dare to speak out, you don't take a piss and follow your own virtues! I advise you to kneel down immediately and give me a few beeps. Maybe I can still think about it. You a happy one!"

The others shook their heads, their faces full of contempt, which can be described as extremely contemptuous.

"It's so arrogant, don't face it, and you

'll be beaten as crippled!" "What is the chance of winning one against three? Does this guy think of himself as a great master? It's funny!"

" Oh , really. Domineering! I stole something from someone and dare to be so arrogant. This face is really not so thick!" There was a sneer of

disdain, one after another!

As for everyone present, none of them believed that Lin Fan, this trash, could be one enemy to three!

just!

Facing everyone's contempt and humiliation, Lin Fan only replied indifferently:

"The same thing, I won't say it again!"

Boom!

These words completely angered Lee Sang Hyuk and the three masters, and a thick murderous intent appeared on their faces.

"Break his legs! But don't kill him, I will personally smash him into ten thousand pieces!"

Li Xianghe's face was gloomy, his eyes were full of fierceness, and he roared sharply!

Huh!

At this moment, the three masters rushed out like tigers, and slayed fiercely towards Lin Fan!

See it!

The faces of Wen Qian and Li Sang Hyuk were extremely excited.

It seemed that Lin Fan was screaming in pain under the attack of the three masters.

Everyone also smiled contemptuously at the same time, who wouldn't talk about it?

Do you think that a few arrogant words can scare the three masters back?

What an idiot!

This kid... is dead!

Twenty meters!

Ten meters!

Five meters!

Already close at hand!

Just as everyone was about to applaud and celebrate Lin Fan's tragic situation, the high spirits were ... was ruthlessly pinched out at this moment !

Puff!

A grandmaster fell to the ground feebly, his eyes widened round, full of horror and disbelief!

The neck has been completely twisted and deformed, and it is obvious that it is caused by a huge pulling force.

Puff!

Puff!

Everyone was horrified to see that there were three corpses lying quietly under Lin Fan's feet, the same death, the same deathless eyes!

The smiles on everyone's faces disappeared silently, and then turned into endless astonishment and shock.

This...

how could this happen!

Wen Qian and the others were dumbfounded, staring at Lin Fan with an endless horror.

They didn't even notice how Lin Fan made the move!

And this time!

The corner of Lin Fan's mouth burst out with a devilish smile:

"I said it before, I won't say it again!"
