

Chapter: 1242

“Wen Qian, you bitch, you lied to us for millions and wanted to run? If you don’t return the money to us today, I will put some happy videos of you and us on your engagement party!”

What? !

Upon hearing this, Lee Sang Hyuk’s face was completely green.

These people have had relationships with their fiancées?

Even a video was taken!

Now!

His face was gloomy and was about to seep water.

He insulted Bai Yi as a slut, but in the end his fiancée was a shameless slut.

He wanted to marry such a shameless slut, even for her, causing the Li family to be unlucky?

I’m just an idiot!

“Get out!”

Li Xianghe screamed with a hideous face. At this time, he wanted to smash Wen Qian’s body into pieces.

Wen Qian was also shocked suddenly, and then a deep despair appeared on her face.

She knew that it was impossible for Lee Sang Hyuk to save her.

But without the backing of Lee Sang Hyuk, she would definitely be sacked by these rich second generations.

at this time!

Wen Qian was already in tears, and a deep sense of regret appeared in her heart.

She originally thought that she could be domineering if she came close to Lee Sang Hyuk, and even used Lee Sang Hyuk to repeatedly insult Bai Yi.

He even wanted to put Bai Yi to death!

But now, Lee Sang Hyuk abandons her, and her best girlfriend has completely broken with her. Who else can save her now?

Puff!

Immediately, Wen Qian knelt down to Bai Yi suddenly, with a deep pleading on her face:

“Bai Yi, please help me! Only you can save me now!”

If Bai Yi doesn’t care about her, she will be completely finished!

And this time!

A hint of hesitation also appeared on Bai Yi’s face, as if he was considering whether to save Wen Qian.

At this...

instantly, those rich second generations were weak in momentum, and the fist that was about to fall was also abruptly stopped.

Because they had already seen that the great elder standing beside Lin Fan and Bai Yi, they all felt fear in their hearts.

And Bai Yi can sit on an equal footing with the great elder, then such a behemoth can not be offended by their small role.

“You, do you know that distinguished lady?”

asked one of the rich second generation, frowning.

“Of course, this is my girlfriend!”

Wen Qian said quickly, and then triumphantly threatened:

“She is the Jiangnan Communist. If you dare to mess around, she will not let you go.”

Wen Yan!

Those rich second generations suddenly trembled, and there was a deep fear on their faces.

But just when they were about to retreat, Lin Fan smiled contemptuously:

“Miss Wen Qian, I think you made a mistake, my Bai Yi is humble, how can I be qualified to be your best friend?”

Boom!

These words directly made Wen Qian’s pretty face completely pale!

She looked at Lin Fan with great horror, with deep pleadings in her eyes:

“Lin Fan, I know I was wrong! I shouldn’t treat you like that. Just give me a chance. I will never dare to do it again!”

just!

Lin Fan sneered,

“Opportunities have been given to you many times! And every forgiveness, in exchange for your kindness and revenge, becomes even stronger!”

“Wen Qian, it’s time for you to eat your own evil!”

Wen Qian’s expression was instantly dull, and at this moment she was completely pushed into the abyss of despair.

“Bitch, what a lie! How can a lowly woman like you be qualified to know these two distinguished gentlemen and ladies!”

Those rich second generations were completely furious!

“Bitch, pay the money!”

“I...I don’t have money.”

Wen Qian said tremblingly. He had already spent all the money scammed from these rich second generations.

No money?

Those rich second generations are one by one, with cruel smiles on their faces.

“Then the rest of your life, you can only repay us by selling meat.”

Wouldn’t you want to be a chicken for the rest of your life?

Wen Qian trembled suddenly and shook her head madly:

“No, please let me go. I will find a way to return the money.”

But the rich second generation simply ignored them and gave orders to the opponent.

Said : “Get this bitch up for me, and pick me up 24 hours a day from today.”

“Until she pays off all the money!”
