

# Chapter: 1249

Ok?

Everyone looked at the place where the voice came, and they saw an elegant middle-aged man walking over with a group of black bodyguards.

After seeing Wang Mingzhe's tragic situation, his face was instantly gloomy to the extreme.

Seeing the arrival of the other party, Wang Mingzhe suddenly seemed to have seen a savior.

A deep complacency suddenly appeared on his face, and he laughed wildly:

"Lin Fan, my savior is here, do you still want to kill me? Next life!"

Then he looked at the middle-aged and shouted loudly:

"Uncle Guo, these two adulterers and women want to murder their husbands, please save me!"

"Guo...Guo Ailun?"

Zhang Yichen's delicate body trembled at the moment of that middle-aged life. It was pale in an instant.

"Do you know him?"

Lin Fan frowned and asked.

"He, he is a world-class musician and a grand master! He has developed repertoires for many international kings and queens, and he is a legend in the music industry." "His admirers are countless! Many international superstars belong to him. Apprentice!"

Zhang Yichen said uncomfortably, obviously knowing that the other party has a lot of background, even this hotel is the other party's property.

It's just that she didn't expect Wang Mingzhe to know such a person.

Guo Ailun came to Lin Fan and his eyes were full of hostility:

"You two dare to make trouble in my hotel and hurt my VIP?"

"This is, don't put me Guo Ailun in your eyes?"

Zhang Yichen opened his mouth and just wanted to explain.

But Guo Ailun violently interrupted, angrily said:

"Kneel down! Acknowledge your mistake!" As soon as he heard this, Zhang Yichen's mouth felt a touch of bitterness, and his delicate body trembled slightly, and he wanted to kneel down.

"Haha, Zhang Yichen, I didn't expect you to have today too!"

At the same time, another sneer came from the door.

I saw Zou Xiaoqin walking in with a gloating look of twisting waist and hips.

Wang Mingzhe frowned and stared at Zou Xiaoqin:

"Who are you?"

Since Wang Mingzhe broke the door, Zou Xiaoqin has been watching at the door. After learning that Wang Mingzhe is the youngest member of the Wang family, she was in love.

Thinking about how to catch this big and young.

Now when I heard Wang Mingzhe, Zou Xiaoqin was so excited that he quickly flattered and said:

"I am the blind date of this rubbish, but I do not like him. The only thing that can make my heart move is that young people like you are handsome... " "

that chapter Ariel is simply senseless, placed so that you do not perfect man, but chose a waste when the boyfriend, she did not deserve such an idiot you are, it is better that you think about me? "

said, also deliberately He squeezed the ditch and cast a wink at Wang Mingzhe.

Zou Xiaoqin's words made Wang Mingzhe feel very useful, especially after seeing the white flowers on the collar, he felt dry.

Immediately!

But he also laughed obscenely: "For a while, leave a contact information!" As soon as I heard this!

Zou Xiaoqin was almost crying with excitement, nodding and bowing like a dog: "Thank you, thank you!"

As if to be able to sleep with Wang Mingzhe, it was the greatest honor of her life.

then!

Wang Mingzhe got up slowly, with a hint of resentment in his eyes, and stared at Lin Fan and Zhang Yichen:

"Kneeling down and admitting mistakes is not enough!"

"Men, beat the cannibals and throw them out!"

"Women, the whole industry is permanently banned! "

He wants to make this couple of dogs and men die better than life!

Just listen to this!

Zou Xiaoqin was so happy that he laughed,

"Retribution! This is the retribution you dare to insult me! Zhang Yichen, aren't you arrogant? Are you still a queen?" Mobile phone:

"After today, you will be nothing! "

At the same time!

Guo Ailun also sank, and his opponent ordered:

"Just do what Mingzhe said!"
