what!

Upon hearing this, Jiang Xin's legs trembled, and he looked at Lin Fan with horror:

"It... it's none of my business!"

Ha!

Listening to this brazen excuse, Lin Fan laughed angrily : "Killing the artist, forcing the artist to sleep with him, forcing her to be unfulfilled and ruining her, is this none of your business?"

"I...I do it all for this purpose? She's good!"

Jiang Xin quibbled, her legs trembling, she was already crying at this moment.

She also didn't expect that Lin Fan, a trash man, would have such a terrifying background.

"For her good?" In the depths of Lin Fan's eyes, a strong murderous aura appeared :

"I think you are for your own good?"

"If I'm right, Wang Mingzhe should promise you a lot of benefits, right?"

Hear the words!

Jiang Xin suddenly trembled. Wang Mingzhe indeed promised her that as long as she could help to win Zhang Yichen, Wang Mingzhe would let her be the major shareholder of the economic company.

It's not a big deal to sleep with him all night, so she sold Zhang Yichen without hesitation.

What's more, she even prepared an aphrodisiac just in case, and was going to coax Zhang Yichen into taking it.

After Wang Mingzhe got Zhang Yichen, she took a few nude photos of Zhang Yichen as a threat. She didn't believe Zhang Yichen would not submit.

Originally, she was already dreaming of becoming a major shareholder.

But the appearance of Lin Fan completely ruined everything!

"No...I didn't! You are talking nonsense!"

Jiang Xin suddenly panicked and turned to Zhang Yichen:

"Aichen, you believe me! Your boyfriend is framing me! I did all this for you. I was worried that you would ruin your future because of your impulse, so I decided to come here to stop you. "

Heard!

Zhang Yichen suddenly hesitated.

just!

Lin Fan smiled coldly:

"You have a bottle of potent aphrodisiac in your pocket, which was prepared for Zhang Yichen!"

"In addition, if I guess right, you plan to take some nude photos of Zhang Yichen afterwards as a threat. Right? "

What!

Jiang Xin immediately showed an expression of seeing a ghost, and looked at Lin Fan in disbelief.

Why would this guy know his plan?

Even more, knowing that you brought an aphrodisiac?

Does he know how to read mind?

This is simply incredible!

From Jiang Xin's expression, Zhang Yichen could already see that Lin Fan was right.

Immediately!

Her delicate body was shivering with anger, her eyes filled with tears of shame and anger.

For a long time, she treated Jiang Xin as her sister, but she didn't expect to treat her this way.

This is simply trying to ruin her!

Puff!

Jiang Xin, who was already weak to quibble, sat slumped on the ground, her face was already dead.

"Help me! Ariel help me! I know I was wrong, you give me another chance, I will never dare anymore!"

Jiang Xin suddenly knelt in front of Zhang Yichen, cheeky begging Zhang Yichen's forgiveness.

Zhang Yichen had tears in her pretty eyes, but her face was already pale, and she couldn't even speak.

And this time!

Lin Fan looked at Jiang Xin coldly:

"Resigned from the agency and quit the showbiz!"

Boom!

Hearing this, Jiang Xin was immediately stunned, and a deep regret suddenly appeared on his face.

Everything about her is in showbiz!

jobs!

People!

Wait, wait...

But now, when Lin Fan wants to kick her out of the show business, she will have nothing and start from scratch!

Moreover, after leaving Zhang Yichen this day, she Jiang Xin shit is not it!

Lin Fan's move is tantamount to ruining her!

Now she is really stealing the chicken and losing the rice. Not only did she fail to get the benefits that Wang Mingzhe gave, she will also be beaten back to her original form by Lin Fan.

Without Zhang Yichen's cash cow, her villa, luxury car, and Chanel will all disappear.

Jiang Xin regretted it!

It's a pity it's too late!

Today's Jiang Xin is simply better than death!

"No, I beg you to give me another chance!"

Jiang Xin turned to Lin Fan, begging hard, already crying.

just!

Lin Fan glanced at her in disgust,

"I knew that, why did you have to ?" "Now you, there is no room for bargaining! Get out!!!"
