

Chapter: 1261

Hear the words!

Jiang Xin suddenly wailed like an electric switch, and fainted with grief.

”

Hold it down!” Li Huairen commanded the opponent with a cold face.

then!

Li Huairen pointed to Zou Xiaoqin and asked Lin Fan,

“Mr. Lin, what should I do with this bitch?”

Hearing this!

Zou Xiaoqin suddenly trembled, and his face suddenly turned pale.

“Such a small person is not worth my attention.”

Lin Fan said with a scornful expression.

Ants?

For some reason, Zou Xiaoqin, who heard this, was not at all grateful,

but felt that his heart was severely cut.

Painful!

She had a feeling that Lin Fan regarded her as stinky shit, and even

looked at her more and felt sick.

At this moment, Zou Xiaoqin suddenly felt that his self-esteem was

trampled on.

Two lines of tears of shame slid down his eyes.

She never dreamed that the man she despised would now become an

unattainable existence.

Even the Li family looks like a dog in his eyes!

however!

What makes her more painful is yet to come!

Just now!

Li Huairen suddenly gave his hand and said respectfully to Lin Fan:

“Mr. Lin, the dog is dull. He destroyed the tens of billions of jewels

and necklaces you gave to your lover. It’s a crime!”

“In order to redeem the crime, my Li family decided to purchase the

equivalent jewellery to compensate you at an international jewelry

exhibition in Jiangshi a few days later. I hope Mr. Lin will come by

then!”

Ten billion?

Jewelry?

For a moment!

Zou Xiaoqin was dumbfounded, and she trembled frantically as if she

had a cold.

Her expression has been completely distorted!

She... is there an auditory hallucination?

This guy actually gave his wife a jewel worth tens of billions?

For Lin Fan, all the wealth of a top rich man is just a necklace of

money from his wife?

Zou Xiaoqin only felt that his heart thumped and thumped wildly, and

his eyes were staring at Lin Fan!

To what extent is this man a tyrant?

Now!

She understood why the Li family feared Lin Fan so much!

Why even a queen like Zhang Yichen favors Lin Fan!

Throwing tens of billions, just to be happy for your wife?

This is simply an emperor’s handwriting!

She even wondered if Lin Fan was a rich country!

At this moment, her face was instantly grayed out, and then a deep

look of regret and pain appeared.

It turned out that it was not that Zhang Yichen was blind, but that he

had no eyes.

She actually missed it, this man like an emperor!

If she didn’t insult Lin Fan just now, then maybe she has a chance to

get Lin Fan’s favor.

Judging from Lin Fan’s horrible handwriting of tens of billions, even if

he was a junior, it was a blessing for eight lifetimes!

But she missed such a great opportunity for life!

Zou Xiaoqin’s face was ashes ashes at once, and his body seemed to be

drained, weakly limp to the ground.

Her dream in this life is to marry a rich family!

And Lin Fan is the richest of the rich!

But this kind of existence was missed by her, and now her heart has

completely collapsed.

That kind of remorse made her have the urge to commit suicide!

And this time!

She saw Lin Fan and took Zhang Yichen to leave.

Now!

Zou Xiaoqin suddenly collapsed, struggling to run over, and said in a

sad voice:

“Mr. Lin, I know I was wrong, please give me another chance! I want

to be friends with you!”

She can’t miss this opportunity, this is her The only chance for the

sparrow to become a phoenix.

It’s just!

Before Lin Fan could speak, Li Huairen kicked him out with a look of

contempt:

“Be a friend? You don’t take a piss and take your own virtues, are you

worthy to be friends with Mr. Lin? ”

What!

Zou Xiaoqin was completely stunned, isn’t this what he said to Lin Fan

just now?

Now, it was returned to her with verbatim!

Slap your face fiercely!

Immediately, Zou Xiaoqin was hysterical and cried bitterly!

Distraught!
