A trash son-in-law, could Jinding invite him personally?

Is this world crazy?

At this time, they only felt that their hearts thumped and thumped wildly, and even their breathing became messy.

They ridiculed just now that Lin Fan could never be Mr. Lin.

But the current scene slapped them in the face fiercely!

And even Wang Mingzhe was stunned at this moment.

Jinding wants to invite Lin Fan?

how can that be!

How can this waste?

Now!

He roared hysterically:

“This is impossible! Even the four masters are toasting to me. I am the one who Jinding wants to invite, and I am Mr. Lin!”

Just!

Ye Shihao sneered:

“Who said that the person we want to respect is you?”

“If it weren’t for you, an idiot, shamelessly approached to clink glasses with us, we would have respected the real Mr. Lin!”

What!

Wang Mingzhe was instantly stunned, and his entire face was instantly ashamed!

The four masters, is it not him to respect?

But he shamelessly thought they were here to toast him?

Slap!

at the same time!

The faces of old man Shen and others were also full of bitterness.

They finally understood what Bai Yi meant by the phrase “open the crown, respect the wrong person”.

However, there is more to it!

After Li Huairen offered the treasure, he said loudly again:

“This is my son who broke Miss Bai Yi’s tens of billions of necklaces. Seablue Heart’s compensation. I implore Mr. Lin and Miss Bai Yi to accept it regardless of the predecessors!

” Hundreds...tens of billions of jewels???”

Cuiping’s teeth were fighting, and her whole body trembled uncontrollably.

at this time!

No matter it was the Shen family or the guests present, they couldn’t believe their ears!

Lin Fan, actually gave Bai Yi a tens of billions necklace?

impossible!

This is impossible!

How could this guy be so rich?

This must be something wrong!

All the Shen family felt that their bodies were crumbling, and they almost fell to the ground on the spot. The scene before them made them completely demented!

Jinding invite!

Four masters toast!

Give Baiyi Ten Billion Necklaces!

Is this guy really Lin Fan?

This is just like a dream!

But at this moment, Lin Fan curled his mouth and asked with a smile:

“The VIP channel, am I eligible to go?”

Ye Shihao suddenly smiled:

“Mr. Lin, you are the most honored guest of Jinding tonight. The VIP channel is except you. Apart from that, no one is qualified to go!” As soon as these words came out, the Shen family felt their heart, and they were severely stabbed.

Lin Fan, this is deliberately hitting them in the face!

Lin Fan is interesting and looked at them:

“It seems that I’m not dead!”

Said!

He picked up the two top jewels and put them on Bai Yi:

“Wife, although it’s not as good as I gave it, it’s not bad, take it!”

See it!

The audience is dead!
