

Chapter: 1284

And this time!

Lin Fan drove the car, carrying his wife and family, and drove in the direction of home.

at the same time!

Shen Yumei and Baishan are completely sluggish!

In their hands, there is a thick pile of business cards!

Among them, there was even a bank card given by Li Huairen.

Now the couple feel that they are dreaming, and they have never been as beautiful as they are today.

In Jiangnan and Jiangbei, the bigwigs of the two provinces are actually flattering them?

Bai Yi also spent a lot of words, and then explained clearly what is going on.

just!

At this time, Bai Yi looked at Lin Fan with a complicated expression:

“Lin Fan, tell me honestly, are you hiding something from me?”

Lin Fan was taken aback, and then suddenly understood that Bai Yi must have noticed something. Pretending to be a fool and asked:

“Wife, what can I hide from you?”

Bai Yi suddenly snorted and said:

“Don’t think I am a fool. When the four masters were preparing to kill, they all gave you a glance. , It looks like you are asking for your opinion.”

As his subordinate, he ignored his boss and asked Lin Fan, the door-to-door son-in-law, for his opinion.

This is very wrong!

It was as if they didn’t care about themselves at all, but Lin Fan.

Lin Fan didn’t expect Bai Yi’s insight to be so sharp, and then smiled:

“Perhaps they had expected you to be cruel, so they asked my opinion.”

“Is that true?”

Bai Yi stared at Lin Fan suspiciously.

“Otherwise?”

Lin Fan asked with a look of puzzlement:

“If it weren’t for you, how could they be so polite to my door-to-door son-in-law?”

Now!

Bai Yi stopped questioning and said:

“In a while, you will take my parents home first, and then you will take me to the airport. I’m going on a business trip for a few days. Take care of my parents at home!”

.....

However !

Early the next morning, two uninvited guests appeared at the door of Bai’s house.

“Second brother, second sister-in-law?”

Seeing Cuiping and Shen Jian, the expressions of the Baishan couple suddenly changed.

It seems that they can’t believe that they will take the initiative to visit the door.

however!

Seeing the family where their daughter was killed, Cuiping and her wife suddenly became distraught, and said sharply,

“Dead poor ghost, pay the money!”

Pay the money?

Bai Shan and Shen Yumei were completely stunned!

“Second brother and sister-in-law, when did we owe you money?”

Cuiping suddenly snorted and said:

“What a fool? Three years ago, Baishan asked my husband to borrow 10 million to invest in the quarry. You guys died. The poor ghost dragged on for three full years, and now I want you to pay it back! ”

What!

Upon hearing this, Bai Shan and Shen Yumei were completely stunned.

Immediately, Bai Shan said a little angrily:

“The ten million is obviously your investment fund. If the investment fails, you just say that you lent me the money. Isn’t this too shameless?”

At the beginning, Baishan did not allow Shen Jian to invest, but he insisted on investing in his own way. As a result, he lost his money.

Now it is said that the money was lent to Baishan, which is simply shameless!

“Stop talking nonsense! I said it was borrowed, then it was borrowed!”

Shen Jian scolded shamelessly, and took a knife from his arms, and said viciously:

“Today, if you don’t pay back the money, I will kill you! “The daughter was killed and expelled from the Shen family. Now the Shen family and his wife are like bereavement dogs, they have nothing!

therefore!

They blamed all this on the Bai family!

Now Shen Jian has completely lost his mind. He is already preparing to smuggle abroad tonight, but before that, he will take a hard blow from Baishan.

Kill Baishan and Shen Yumei when you’re done!

He wanted Bai Yi to also experience what it was like to lose his loved ones.

Thinking of this, the grinning smile on Shen Jian’s face became more and more vicious:

“Choose! Either give money or kill!”
