

Chapter: 1289

at this time!

Inside the bank, there is already chaos!

With a grinning smile on his face, Li Xiangru ordered a group of security guards to be prepared to extract a confession from Shen Yumei and Baishan.

At the same time, he had already imagined in his heart that Li Huairen knew how he would reward himself for helping him catch the card thief.

And seeing this, everyone sneered, knowing that Shen Yumei's family was about to be unlucky!

At this time, not only did Shen Jian and Cuiping not stop them, they also showed smirking smiles on their faces.

As if expecting, Shen Yumei and his wife were beaten to a disability!

See it!

The expressions of Shen Yumei and Bai Shan became paler, desperately begging for mercy and excuse, and their grievances reached the extreme!

just!

“Stop!” An angry roar came in from outside the door.

Ok?

When everyone looked in horror, they saw a middle-aged man walking with a group of people.

He looked at the wolf and looked at him, with a majestic vigor, and a domineering and heroic spirit on his body.

“Li Huairen! He... how did he come so fast?”

Everyone was shocked when they saw Li Huairen, as if they had seen a ghost.

They called to inform them, and it's been less than five minutes, right?

Arrived so soon, is this coming by rocket?

As everyone knows, when Li Huairen heard that Shen Yumei and Baishan had stolen his card and were arrested as thieves, he was afraid to pee.

He left his billions of business directly, and rushed here by helicopter, just because he was afraid that Shen Yumei would have two shortcomings.

at this time!

Li Huairen's forehead was already covered with cold sweat, and his footsteps were a bit messy. He prayed in his heart that the Baishan couple would never have anything to do.

Otherwise, he will not escape the blame!

After seeing Li Huairen's arrival, everyone was extremely nervous, with deep fear on their faces.

Especially, they saw that besides Li Huairen, there were also dozens of people!

“Oh my God! Li Huairen, brought all the senior leaders of the Li family to the scene? Is this... an endless rhythm?”

“It seems that Li Huairen is really angry. Otherwise, how could he be so exciting, these two idiots. .. It's dead!”

Now!

Everyone looked at Shen Yumei and his wife together, with a sneer on their faces.

It seems that the scene where these two hapless men were torn to pieces by Li Huairen was already foreseen.

Seeing Li Huairen approaching menacingly, Li Xiangru was immediately ecstatic.

She seemed to see a bright future beckoning to her, and quickly greeted her with a flat face:

“Hello Patriarch Li, my name is Li Xiangru, the bank manager! I caught the two thieves!”

“You?”

Upon hearing this, Li Huairen had a murderous heart, suppressed his anger and asked:

” Where are the two people?”

Then!

Li Xiangru looked at one place and smiled sinisterly:

“Before you came here, we had already punished them well for you.”

Following Li Xiangru's eyes, Li Huairen and others saw the disheveled hair, their noses and faces swollen. Shen Yumei and his wife.

boom!

Everyone in the Li family burst their scalp!

All of them were crying like dead parents, and they were almost crying at this time.

That's it!

This one is completely over!

It was hard for them to repair their relationship with Lin Zuo, but now because of them, Lin Zuo's mother-in-law and old wife were brutally beaten and humiliated.

This is a disaster for their Li family!

Lin Zuo, it is very possible to anger them!

Immediately, the Li family members turned pale, their legs weakened, and their faces looked hopeless and helpless.

I just feel that their Li family is in disaster!

Tick!

Tick!

At this time, drops of cold sweat continued to flow down from Li Huairen's bloodless face!

He was already scared to pee.

This...what's this so-so called!

Did you get rid of Lin Zuo's ill feeling, and offend Lin Zuo again?

God, is this going to kill their Li family?

At this time, Li Huairen even had the urge to slap his chest and shout that his fate was unfair.

however!

Li Xiangru didn't realize the atmosphere was wrong, and he complacently asked for credit:

“Patriarch Li, are you satisfied with this result?”

“You don't need to be grateful to me, this is what I should do!”

Satisfied?

grateful?

Hear these shameless words.

Li Huairen is completely crazy!

“I'm going to do something special for you!”

Everyone was shocked to see that Li Huairen directly raised his slap and slapped Li Xiangru's face...

violently down!
