

Chapter: 1300

Senseless!

Zhang Lei was stunned, and the rich people present were also completely stunned.

The eyes that looked at Lin Fan were completely dull.

Especially Zhang Lei!

There was a deep horror on his face, and his thoughts were completely confused.

impossible!

This is impossible!

If that trash has such an identity, why should he be the son-in-law and suffer three years of humiliation?

Immediately!

Zhang Lei's expression was completely gloomy, he didn't believe Lin Fan had such an ability.

All this must be because of Bai Yi!

"You idiots, you have all been tricked by him, this guy is a trash son-in-law!"

"Without his wife, he is nothing!"

Zhang Lei was already mad, in his opinion Lin Zaidong must be trying to curry favor Bai Yi, that's why he protects Lin Fan.

After all, Bai Yi nowadays, but the Jiangnan Communist Party, even if it is a branch of Global Bank, has to give her three points.

And Lin Fan just said that the president of the branch should be demoted, which is even more of an idiot.

Not credible at all!

"! Lin Dong, Lin Fan today's shame, I got it!"

Zhang Lei is furious, his face suffused with a grim smile, like watching two of the dead:

"Pretty soon, you will as of today Matter, pay the price!"

Their Zhang family came to Jiang City this time because they heard that the mysterious Lin Zuo was in Jiang City, and they were confident that they would be able to reach cooperation with Lin Zuo.

By that time, Lin Fan and Lin Zaidong, even Bai Yi, would have to die!

"Wait! Soon, you will kneel down and beg me! Hahaha!"

Zhang Lei was extremely proud, gave them a bitter look, and then left Global Bank without looking back.

Upon seeing this, Lin Zaidong sneered contemptuously. Now that Zhang Lei doesn't even know what the offense is, it's an idiot.

If the Zhang family let such an idiot be the head of the family, it would not be far from ruin.

"Boss, I'll send you back!" At the moment, Lin Zaidong no longer paid attention, but said to Lin Fan respectfully.

however!

Lin Fan waved his hand:

"Don't worry, Lin Zaidong, since Wan Jinrong has been arrested, then this branch can't be left alone ..."

"From today, I want you to be the president. , Are you confident and competent? "

What!

Upon hearing this, Lin Zaidong only felt like thunder, and there was a thick sorrow in his eyes, and he couldn't believe it was true.

Own, will take the post of president?

Moreover, the promotion was given by the boss himself...

In this way, he was directly marked with Lin Fan's brand, and from now on he will be Lin Fan's person!

This is simply a pie in the sky!

Puff!

At the moment, he knelt down towards Lin Fan excitedly, his face flushed completely:

"Thank you boss for showing love, the small ones must live up to the boss's high hopes, and carry forward this branch!"

...

on the way back. .

Bai Shan and Shen Yumei still feel that they are dreaming.

Even facing Lin Fan today, they even felt a little uneasy and fearful.

At the moment, under Shen Yumei's repeated urging, Baishan finally asked nervously:

"Xiao Fan , why did they call you the boss just now?"

"Are you really the big boss of Universal Group?"

Lin Fan smiled slightly:

" Dad, what kind of boss am I? They are just giving face to Bai Yi, so I acted in a play with me!"

Acting?

Shen Yumei and Baishan were stunned on the spot!

"In other words, the reason why the people at Global Bank were so polite to you just now was fake?"

Lin Fan shrugged,

"Isn't this all to save you?"

Shen Yumei and Bai Shan finally reacted, it turned out that Lin Fan shrugged. Fan is still the same Lin Fan, still unchanged.

But no matter what, at least because of Lin Fan, they were saved.

just!

The feeling in my heart is extremely complicated.

Fortunate, but also lost!

But at this moment, Lin Fan's cell phone suddenly rang.

On the other end, Zhang Yichen's crying voice came:

"Brother Lin, I want to see you!"
