

Chapter: 1301

Ok?

Hearing that Zhang Yichen's mood was wrong, Lin Fan's face suddenly sank:

"Where are you?"

Then, Zhang Yichen sobbed and said an address.

follow closely!

Lin Fan handed the car to Baishan and took the car to the destination by himself.

After arriving, I saw Zhang Yichen sitting on a bench in the cold wind at a glance, trembling all over, his eyes red and swollen from crying.

"What's the matter with you?"

Lin Fan frowned and asked.

Seeing Lin Fan, Zhang Yichen couldn't stretch it anymore, rushed up out of control, and plunged into Lin Fan's arms.

Weeping presumptuously:

"I...I was kicked out of the house, Brother Lin, I have no home!" The voice, sad and sad!

Lin Fan's face suddenly chilled:

"It's because of Zhang Lei?"

He slapped Zhang Lei in the face with his front foot, and Zhang Yichen was swept out of the house with his back foot. Isn't it a coincidence?

coincidence?

Zhang Yichen nodded helplessly:

"Zhang Lei said that it was because of you that caused the Zhang Family's loan to fail, so he planned to use the Zhang Family's power to kill you!"

"I said a few words for you, and they did it. Said that I turned my elbow out, said that I was lowly, like a married woman, and lost the face of the Zhang family, so I deprived the owner of the inheritance right of my family, and expelled me from the Zhang family!"

"Even more, to be in the entertainment industry." , Ban me completely!

"Hurry up and kill!"

Zhang Yichen's pain was not because of being kicked out of the house, nor was it because of being blocked.

It was because the family who had been together for many years was able to treat her so cruelly and want to put her to death.

Today, she has nothing!

Hear the words!

Lin Fan's eyes suddenly filled with a terrifying chill:

"Don't worry! The Zhang family is yours, no one can take it away!"

"Because, this is what Lin Fan said!"

Domineering!

These words reveal the supreme majesty!

As if Lin Fan at this time was like an emperor, he kept his promises!

Zhang Yichen was stunned for a while, his heart suddenly seemed to be filled with something, and he looked at Lin Fan with a stunned expression on his face.

Fascinated!

Lin Fan's words made her fascinated by Lin Fan even more.

As long as there is this man, even if the sky falls, he will stand against him.

"Let's go! Go to Zhang's house, I will ask for justice for you!"

Lin Fan took Zhang Yichen's hand.

just!

Zhang Yichen hesitated and said uneasy:

"Big Brother Lin, can you not kill people?"

She knows Lin Fan's ability, if he wants, let alone a Zhang family, even the whole Jiangnan will instantly turn into The dead mountain and the sea of blood.

sea of blood.

But anyway, those are her family members!

Lin Fan was taken aback, then smiled and said:

"Don't worry! I won't kill people, I will let them kneel down, please forgive me!"

...

Now!

Lin Fan and Zhang Yichen went to the hotel where the birthday was held.

And on the way, Lin Fan learned that today was the birthday of the old lady of the Zhang family, so he asked Ye Shihao and others to prepare some kind of generous gifts.

Plan to salute first and then pawn!

If the other person is interested, everything will stop.

If the other party doesn't know good or bad, then I'm afraid... they really have to kneel down!

After arriving at the hotel, Lin Fan saw that all kinds of super luxury cars had been parked around the hotel.

The most common Rolls Royce is also worth tens of millions!

After all, the Zhang family was in China, but they had a long-standing reputation. After learning that they had landed in Jiangshi, the big men from all walks of life in Jiangshi rushed to visit them.

especially!

When they knew that the Zhang family was confident that they could reach a cooperation with Lin Zuo, those who came to curry favor were like crucian carp who crossed the river...

countless!

just!

Lin Fan and Zhang Yichen, just when they stepped into the hotel, they shouted violently,

"You guys and dogs, get out of here!"
