But Lin Fan took the lead and winked at Mike.

Mike was taken aback for a moment, and he couldn't help but froze in place.

At this time, everyone had already noticed something, and every one of them was about to stare out.

How do they think that the person Mike is looking for is Lin Fan?

Lin Fan...Mr. Lin, is it possible that they are the same person?

Even the old lady Zhang suddenly had an ominous premonition, and she asked in horror:

“Doctor Mike, Lin Fan...could it be Doctor Lin?”

Mike shook his head quickly:

“I admitted the wrong person. The boss is not here!”

What!

Upon hearing this, everyone suddenly looked disappointed. It turned out that the genius Doctor Lin was not here.

And at this time, Zhang Lei jumped out again and sneered:

“Grandma, you're really kidding, how could this rubbish be Lin's genius doctor?” “With his virtue, I am afraid that he is even qualified to give Lin genius doctor shoes. Nothing!”

Waste?

Hearing Zhang Lei's insult to Lin Fan so much, Mike's face instantly became gloomy.

then!

It was a poor tone of voice asking:

“Mrs. Zhang, what you said is trash, but this man?”

If it weren't for Lin Fan, Mike would not be here at all tonight.

Although the Zhang family is a rich man, it is not enough to make him.

Come to celebrate your birthday in person.

But now, these idiots dare to insult his boss in front of him?

And this time!

When Mrs. Zhang heard Mike's question, her face was dull, and there was a deep contempt and disgust on her face:

“Mr. Mike, this waste is that the White House door-law! Is brought my granddaughter do not have eyes, embarrassed to let this garbage sewage your eyes, I was ready to go out of him!”

And this words!

Immediately, Mike and the people behind him changed their expressions wildly, and almost fell to the ground without being scared.

These chapters dare to insult the boss so much?

Soon, raging anger appeared in the eyes of Mike and others.

Today's Lin Fan is like a god in their eyes, but the other party dared to insult their faith in front of them?

This irritated all the top healers present!

But the old lady Zhang and the others did not find that Mike and the others' expressions were wrong.

When even Lin Fan scolded:

“Trash, you can go away!”

“Doctor Mike is honorable, you disgusting fellow, don't get in the eyes of his old people!”

Ha ha...

before Mike had a seizure, Lin Fan did. It was the first to sneer:

“Well, since the Zhang family is not welcome, then I will leave !” Lin Fan directly threw the prepared gift on the table, and sneered:

“Congratulations, I left it!”

“Just hope Don't regret it, your Zhang family!”
