

# Chapter: 1341

Huh!

At this moment, everyone seemed to be choked!

The audience was completely silent!

Everyone's expressions slowly changed from anger to extreme panic!

At this moment one by one, I couldn't believe my ears!

Lin Fan, is the King of the Blood Prison?

boom!

When they reacted, everyone was instantly stunned, and their horrified faces were completely pale!

No...impossible!

Isn't this Lin Fan discarding less waste?

Isn't it the son-in-law?

Why, the blood prison mad god and others, would kneel down and call him the king of blood prison?

Puff!

Puff!

Now!

A person was paralyzed on the ground in terror one after another, his face was gray, full of consternation and disbelief.

It is hard to imagine how huge the impact this scene has on them!

And this time!

They seem to have understood why the King of Blood Prison would break into China with great fanfare!

That's because his wife was kidnapped!

In this case, which man can not be crazy about it?

At the beginning, they felt that the King of Blood Prison had a problem with his brain, and they would offend China for a waste!

But now they all feel that the one who dared to kidnap Lin Fan's wife is the real idiot!

And, it's an idiot among idiots!

Even the man's wife dared to move, this is simply looking for death!

Senseless!

Dragon 9 is stunned, everyone present is stunned!

They were all completely shocked by this horrible scene before them, and there was a deep fear in their eyes!

Especially Song Yuanzheng!

He staggered, took a few steps back subconsciously, and his face was completely dull.

"Lin Fan, is the King of the Blood Prison? No, it's not true!"

"He, it's a trash! What's wrong!" At this time, he couldn't believe his eyes!

Even more unacceptable!

He couldn't imagine that a waste who was swept out by the Lin family would become the king of the blood prison and be hailed as the strongest man in the world.

This is simply a fantasy!

That's it!

He is completely finished!

At this time, Song Yuanzheng was sweating coldly, and his fear was extreme.

It would be fine if he only offended Lin Fan's trash and discarded the young man, but now he offends the king of the dignified blood prison!

Long 9's old face was completely distorted, and he looked at Zhao Chuan in horror:

"You, you already knew it?"

Seeing the current scene, combined with Long 9's abnormality, he completely understood at this moment.

Zhao Chuan nodded bitterly:

"Just now, there was a call from the capital saying that someone had kidnapped his wife. Now let him deal with it by himself. Let's not intervene!"

"The offender should be punished as treason!"

Boom!

When Long 9 and the others heard this, all of them were completely ashamed!

Treason... treason?

Isn't that... a capital crime? ? ?

All of them suddenly felt a chill, and it kept attacking their backs, causing them to be devastated!

"Why didn't you say it earlier!"

Long 9 was furious, yelling at Zhao Chuan, if Zhao Chuan told him earlier, how could he dare to stop this man?

"Say it early?"

Zhao Chuan sneered and shook his head, and said, "Even if I said it earlier, would you believe it? Would you believe that the Lin family's waste and abandoner has grown into the king of the blood prison?"

Hearing this, Long 9 suddenly revealed A touch of bitterness, I'm afraid he will still think Zhao Chuan is crazy, right?

"Also! Let me ask you, as the commander-in-chief of Jiangnan, why is there such a vicious incident as kidnapping in your jurisdiction!"

"This incident directly affected the relationship between Blood Prison and China, and the senior management was very angry. After today, the upper side will arrange a special investigation team to come to Jiangnan and ask you to raise the teacher! "

Puff!

Upon hearing this, Long 9 immediately paralyzed to the ground in fright, with the most painful expression on his face!

This is the rhythm of picking up black hats!

He didn't expect that he would have to retire gloriously after working hard all his life, but in the end he would end up with an unsafe fate!

Regret it!

Completely regret it!

He shouldn't stand by Lin's side!
