

Chapter: 1345

Seeing Lin Fan appear, Wang Mingzhe's eyes are full of hatred, and a kind of cat-and-mouse joke.

It's as if Lin Fan is already the fish on his pallet, so he can let him kill it!

This time, he vowed that he would never let Lin Fan this waste, leave from here alive!

"Lin Fan, I've been waiting for you for a long time!"

Wang Mingzhe walked up gloomily, with a mocking sneer on his face.

at this time!

Lin Fan's murderous spirit surged, and he glanced coldly at him: "My wife, where is it?"

"Don't worry, she's okay now, but after a while, I can't guarantee it!"

Wang Mingzhe smiled gleefully. He got up and ridiculed Lin Fan:

"You said you are really a lost star. If you honestly give your wife to me, then nothing will happen?" That's it!

Wang Mingzhe's face showed the pleasure of revenge, and the whole face suddenly became hideous:

"There will be today's end, and it's all you killed! After a while, you guys and dogs, you will pay for offending me. The painful price, hahaha!"

Wang Mingzhe laughed wildly.

Because in his eyes, Lin Fan and Bai Yi are already dead!

Lin Fan frowned, having lost his patience at this time, and said coldly:

"Either lead the way or die!"

Lin Fan was very angry!

So, he doesn't care where it is or who is behind Wang Mingzhe...

He only knows that if he dares to hurt his woman, then he will step down here and kill everyone!

Hear the words!

Wang Mingzhe was obviously stunned, and then he laughed:

"I'm so scared, a trash who depends on his wife, dare to be so arrogant? When you meet the one behind me, I'm afraid you will even cry. It's too late!"

In his opinion, Lin Fan is just pretending to be compelling now. After seeing the powerful man, Lin Fan will be completely paralyzed.

but!

After seeing Lin Fan's extremely gloomy face, a deep sense of pleasure emerged in his heart, deliberately delaying time and said: "I have to say, your wife is really an overwhelming country, and even crying is so pitiful!"

It's smelly, it's too smelly! For a while, she might have served the master in it, she's so cool!" "In my opinion, you didn't go in and ask yourself, just in case your wife knows the taste." I also blame you for disturbing her Yaxing, that's not good!"

Boom!

The moment the voice fell!

Lin Fan's murderous intent, which had been dormant for a long time, broke out completely.

A pair of bloody claws that killed countless people suddenly grabbed Wang Mingzhe's throat, and suddenly lifted his whole person in the air!

"You, think I'm joking with you?"

Lin Fan's face was extremely gloomy, and his voice trembled with strong killing intent.

"You!" At this moment, Wang Mingzhe's body suddenly tightened, as if falling into an ice cellar, his fear was extreme.

The gloomy face and violent words all revealed a terrifying murderous intent, which made him extremely uneasy.

How could this guy have such a terrifying aura?

"I...I lead the way!"

Wang Mingzhe trembled quickly. He had a feeling that if he dared to humiliate him, this trash would definitely kill himself on the spot!

Lin Fan suddenly threw Wang Mingzhe to the ground, making him dizzy and unable to get up for a long time!

Immediately!

He just got up obediently and led the way, but deep in his eyes, the ultimate resentment appeared!

Wait for it to waste!

After meeting that person, I see how arrogant you are!

At that time, I must ask you to die!

Wow!

Not long after, Wang Mingzhe pushed open the door of the Rose Manor. The moment he stepped in, his face was full of resentment.

It seems that Lin Fan is already the turtle in his urn!

then!

Lin Fan suddenly saw that Bai Yi's family knelt on the ground, sobbing softly, and there was a deep fear on their faces.

Seeing their humiliating posture, the meaning of Lin Fan's body became a bit stronger involuntarily.

At this moment, Bai Yi also suddenly turned around, and the moment she saw Lin Fan, she was startled.

Then, the tears of grievance and despair, like a dyke, surged in madness!

Right now, he roared hoarsely:

"Go! Husband, why are you here, didn't I let you go? You go quickly!"

Just!

Lin Fan did not retreat but advanced, and walked slowly towards Bai Yi, his eyes full of infinite spoiling and love:

"I swear, I will let you live your life safely and worry-free as ever!"

Between the words!

Lin Fan has embraced Bai Yi in his arms and said softly:

"I, can't break my promise!"
