

Chapter: 1355

At this moment, the atmosphere completely solidified!

Endless panic and madness lingered in the hearts of Lin Zekun and others!

They were cheated!

Lin Fan is just pretending to be a pig and eating a tiger!

Everyone in Bai Yan, who realized the truth, showed grief and indignation at this time.

It's no wonder that Lin Fan was able to turn the dangers into peace again and again, because he simply hid his strength and background.

One move, defeat the three war gods!

Even the king of the north is willing to bow down to the wind!

What kind of monster this is!

Right now, the King of the North said to Lin Zekun bitterly:

“Xiaokun, taking advantage of the fact that there is still room for recovery, you can kowtow to Lin Fan and admit your mistakes, maybe you still have a chance to live!”

What!

The moment Bai Yan and others heard this, they were completely dumbfounded!

Let Lin Zekun, a proud man of heaven, kowtow to Lin Fan and apologize?

They, is this a mistake?

just now!

It is Lin Zekun who is in control of the whole situation!

But now, the King of the Northern Territory wants Lin Zekun to kowtow to apologize, so that there is a ray of life?

Doesn't this mean that Lin Zekun has been completely defeated?

“Impossible! What kind of thing is he worthy of me to kneel for him?”

Lin Zekun was completely mad. Lin Fan had been trampled on his feet for a long time. How could he kneel to such an ant?

Immediately, he gritted his teeth and stared at Lin Fan:

“I haven't lost yet, I still have the last killer, that is the mysterious Lin Zuo!”

“Lin Fan, I want you to die! I want you to die!”

Lin Fan must die!

Otherwise, it will be hard to dispel his hatred!

Today's shame can only be washed away by killing Lin Fan!

So now he has decided to let Lin Zuo help him at all costs.

Hahaha!

But I heard this!

There was a burst of laughter from the audience!

The blood prison mad gods, dragons, tigers, war gods, neon phoenix army, and all the blood prison powerhouses present, all laughed at this moment, as if they had heard a big joke!

what!

what!

Seeing this, Lin Zekun and others were already dumbfounded.

What kind of irony the laughter, with strong contempt and contempt, sounds extremely harsh to Lin Zekun and others.

And hearing this laughter, the uneasy feeling in the heart of the Northern Realm King became stronger and stronger.

And just now!

Under the horrified eyes of everyone, Nihuang smiled and looked at Lin Fan:

“Xiao Fan , don't you explain your identity? So that they can understand how stupid they are.”

Lin Fan's Identity?

Hearing this, everyone looked at Lin Fan with an incredible look.

What's the identity of this guy?

Isn't he just a trash son-in-law?

wrong!

Lin Zekun woke up suddenly, staring at Lin Fan with a pair of eyes.

At this time, he also felt a strong anxiety.

If Lin Fan is just a trash son-in-law, how can he be qualified to meet a character like Nihuang Army?

What qualifications did he have to win him, the third youngest of the Lin family?

Lin family?

Lin Fan, who is it!

A pair of nervous and horrified eyes stared at Lin Fan.

At this time, Lin Zekun, Baiyan and others all felt that a catastrophe was imminent, as if they had caused a catastrophe.

The heart is beating wildly!

Everyone is extremely nervous at this moment!

then!

Lin Fan slowly took out the town's state order from his pocket!

boom!

The atmosphere of the audience burst completely!

No... it's impossible!

At this moment, Lin Zekun and others shuddered together, with an expression of seeing a ghost on their faces.

Black...Black Town State Order!

Lin Zuo's Town State Order!

At this moment, everyone finally understood what the Nihuang Army Seat just said, “The Forest Seat is also here”.

Because Lin Fan is that mysterious forest seat!
