what!

At this moment, Shen Yumei was completely stunned, she couldn't believe her ears.

In the past three years, the son-in-law said that he wanted to divorce her daughter if he was so obedient.

Shen Yumei was completely stunned, and said with a look of error:

“Lin Fan, you... are you kidding me?”

Just!

From that “auntie”, Shen Yumei could clearly feel that Lin Fan was not joking!

Now, I just don't want to believe it!

just!

Lin Fan was unwilling to explain, and immediately left with his luggage on his back.

“You are not allowed to go!”

Shen Yumei grabbed Lin Fan's arm in a panic, and shouted downstairs like crazy:

“Baishan, come on! Come on! Lin Fan is going to run away from home!”

That voice , Almost crying!

See it!

Lin Fan was obviously taken aback, and then he couldn't laugh or cry:

“Auntie, what are you doing? Haven't you always dismissed me as useless? Isn't it right for you now?”

“Xiao Fan, don't leave! Before! It's my mother that I'm sorry to you, I shouldn't have treated you like that, I already knew that I was wrong! If you feel angry, just hit me a few times. I beg you not to leave, this family can't live without you!” Shen Yumei cried. He shook his head vigorously.

It looked like a son whose mother was reluctant to leave her on a journey.

Their family has gone through so many ups and downs, Lin Fan has already become an indispensable part of their family. She and Bai Shan have already regarded Lin Fan as their son. How can they be willing to let him divorce Bai Yi?

“Did Bai Yi upset you? Tell your mom, Mom will help you clean her up! When she gets off work, Mom slaps her severely!”

Lin Fan sighed suddenly:

“Auntie, this has nothing to do with her It's my own decision!”

“Lin Fan, don't call me auntie, okay? Mom sounds uncomfortable!”

Shen Yumei cried even harder, and that “auntie” almost broke her heart.

“This...what's wrong with this?”

At this moment, Baishan came up to see this scene and was completely stunned.

“Baishan, stop him! Lin Fan is going to divorce Bai Yi! Call the dead girl to get her back. She must have done something to make Lin Fan angry!”

Shen Yumei shouted, not willing to let go.

This scene also made Lin Fan stunned. Is this still the mother-in-law who sees herself like stinky shit?

Lin Fan suddenly smiled bitterly and looked at Baishan:

“Uncle, please pull Auntie away!”

Uncle?

Hearing this name, Bai Shan's face suddenly sank, and he strode towards Lin Fan.

just!

Just when Lin Fan thought that Bai Shan would help him pull Shen Yumei away, he saw Bai Shan sitting directly on the ground, clinging his hands tightly around his thighs:

“I want to go, unless we step over our bodies! ”

Lin Fan looked dumbfounded!

.....

After a long while!

The family of three was sitting on the table in the living room, and Bai Shan and Shen Yumei finally knew why Lin Fan ran away from home.

“Bastard stuff!”

Bai Shan suddenly slapped the table and yelled at Lin Fan:

“You are my son! Whoever dares to move you, I will fight them hard! We are not afraid, what are you afraid of?”

At this time!

Shen Yumei also firmly grasped Lin Fan's hand and pleaded bitterly:

“Xiao Fan , don't go, okay? Mom knows you are filial and don't want to drag us down! But we are a family, can we find a solution together? ”

Lin Fan was completely stunned!

He did not expect that for himself, Shen Yumei and Bai Shan were not afraid of Lin's revenge!

It was really for him, and even sacrificed his life!

For a moment!

An unprecedented warmth swept through his heart madly, making his nose sour for a cold-blooded demon like him.

especially!

After seeing their pleading gaze, Lin Fan no longer had the courage to refuse to look.

just!

Just when Lin Fan was about to speak, his mobile phone rang suddenly.

He had just connected, and Ye Shihao's extremely anxious voice came from the other end:

“Wang, Miss Bai Yi has an accident!”
