She never expected that Zhang Miaoke betrayed her, but he didn't even feel ashamed.

Looks as it should be!

She regarded her as her younger sister, but she never regarded herself as her older sister!

Thinking of this, Bai Yi's face suddenly became bitter, and her Jiao body couldn't help feeling a little shaky.

at this time!

Lin Fan quickly held onto the crumbling Bai Yi, his expression darkened in an instant, staring at Zhang Miaoke coldly:

"How much did you take from the Wang family!"

Huh?

Zhang Miaoke's face changed drastically. She indeed received 100 million yuan from the Wang family, so she decided to betray Bai Yi.

But how could Lin Fan know?

Immediately afterwards, Zhang Miaoke sneered and looked at Lin Fan with a contemptuous look:

"What are you talking about? I don't even know what Wang family is! I didn't even take their money!"

Even if Lin Fan knew what. kind?

As long as he has no evidence, he can't help himself!

As long as she kills Bai Yi and sells counterfeit medicines, it will not take long before she will be able to live a happy life with the 100 million Yuan given to her by the Wang family.

See it!

Lin Fan shook his head, completely lost patience:

"I thought you innocent, and give you another chance, as long as you have a clean white Iraq, I promise Jia give you much, I give you double!"

This is Lin Fan gives Zhang Miaoke the last chance!

just!

Hearing this, Zhang Miaoke had a disdainful expression:

"How much money can you have in this rubbish? What about a fool?"

"You two don't have to work in vain. You have been charged for selling counterfeit medicines, and wait for you to sit through the prison!"

Alas!

Lin Fan also sighed:

"That's how Bai Yi helped you to study, so you repay her? Well, since you don't know how to praise, then in the same way, how much you have caused us to lose, we have to..."

"Repay it in every possible way!" "

However, at this moment!

"Lin Fan, can I think that you are intimidating my client?"

Song Yue, with a grinning face, walked from outside the door and came to Zhang Miaoke's side. :

"Miss Zhang, who is threatening you?"

to see the scene Song Yue, Zhang Miao can face more and more proud, full of resentment and said:

"Yes Song great shape, such as the end of today's press conference, I'll sue!"

Just listen to this!

Song Yue burst into laughter suddenly:

"Okay, Miss Zhang, please rest assured, I will let him sit through the prison then!"

The faces of the two of them were full of pride!

It seems that Lin Fan is already the fish on their pallet, letting it be slaughtered.

Lin Fan's expression was still indifferent, and he smiled and said,

"What are you waiting for, let the show begin!"

Zhang Miaoke and Song Yue were taken aback for a moment, but then they both sneered one after another.

This waste, can't wait to find death?

"President Bai is here!"

All the reporters there immediately pointed the camera at Bai Yi.

"President Bai, how do you respond to the death of your Xinbai's counterfeit medicine?"

"President Bai, even your relatives and secretary have come forward to identify you. What do you think of this?"

"New Is it true that Bai's production of counterfeit medicines is like they said, making the country difficult for money?"

Hearing that sound, with aggressive questioning, Bai Yi only felt cold all over.

Immediately afterwards, she said angrily:

"These are malicious framing. The vaccine produced by our New Bai's is absolutely no problem!" But as soon as Bai Yi's voice fell, the Bai family members who couldn't wait to kill Bai Yi began to follow suit.

Stand up!

"Bai Yi, I didn't expect that until now, you still don't repent. I am very disappointed in you!"

Boom!

The meaning of these remarks was too sensational, and the reporters present all looked at each other!

It turned out that the speaker turned out to be Old Man Bai!

She knew that the Bai family was about to start messing up!

really!

The old man Bai pretended to be angry and scolded:

"Bai Yi, you used illegal means to snatch Bai's medicine and vaccine formula from us. I thought you would benefit the society, but I didn't think of you. You actually produce fake drugs!"

"You are so conscientious. My Bai family is ashamed of having a granddaughter like you!"
