

# Chapter: 1370

Wow!

The moment the voice fell, the audience was in a complete uproar!

Everyone in the room didn't believe their ears?

The vaccine formula was actually taken by Bai Yi from the Bai family? even!

He also robbed the Bai family's business. Isn't this too much?

Now!

One after another, all eyes were fixed on the old man Bai, and all the spears and short cannons were aimed at him.

"Patriarch Bai, what do you mean is that the president of the new Bai family snatched it from you?"

Seeing this scene, a touch of insidiousness suddenly appeared in the eyes of the old man, and then he nodded faintly.

boom!

Seeing Mr. Bai confessed, the whole audience was completely blown up.

Really!

This turned out to be true!

Even if Bai Yi produced counterfeit medicines to cheat the people, even his grandfather would not let it go?

Too frantic!

At this time, everyone's gazes looking at Bai Yi completely changed.

Full of deep contempt and disgust, in their opinion, Bai Yi is simply a beast, a scumbag!

And this time!

Bai Yifan laughed ill-intentionedly, and made a vicious cut:

"Originally, the ugliness of the family should not be exposed to the public. As long as she can produce the vaccine for the benefit of society, our Bai family will receive something. There is nothing wrong with grievance."

"But she actually produced fake drugs to harm people, then our Bai family will not tolerate it!" In a word, Bai family suddenly became a victim, and Bai Yi was the inferior perpetrator of that pig and dog!

"Shameless!"

Immediately!

A shout of insults resounded through the audience!

In the eyes of all reporters, there was a deep disgust and contempt, and Bai Yi was staring angrily.

At this time, in their eyes, Bai Yi was a poisonous bitch!

See it!

Zhang Miao and Song Yue both laughed smirkingly. In their opinion, Lin Fan was completely over.

I'm afraid I will have to spend the rest of my life in prison!

"No, it's not like that! The Bai's medicine was given to me by them, and the formula of the vaccine was given to me by my husband!"

Bai Yi wept bitterly, defending anxiously.

just!

Her voice faded, Bai Yifan has been ready rhetoric:

"!?! Gentlemen her that her husband, is a door-law eat soft food, how could develop a formula so precious she is simply nonsense,"

a remark !

All the reporters also sneered, Bai Yi actually wanted to lie to them?

In the whole Jiang City, who didn't know that the Bai family had a wasteful son-in-law?

This nonsense, can you get a vaccine formula for the new type of pneumonia?

It's nonsense!

"I don't need to say anything, call the police!"

"This kind of snake, scorpion, and venomous woman will not let her own family off. Anything else is a sophistry and must be severely punished!"

"Yes, shoot! Give the victim justice!"

All The crowd is excited!

Seeing this, Bai Yi's face was ashen ashes all the time, only a trace of chill swept through his heart.

At this moment, I was completely desperate!

"I have no sophistry... I really have no sophistry!"

She slumped on the ground feebly, sobbing extremely helplessly.

"Don't admit it? Then I'll let you understand!"

Seeing Bai Yi like this, Bai Yifan was crazy. When he said:

"Friends from reporters, in order to confirm this, our Bai family specially invited here. An expert conducts the appraisal, and then I will invite Miss Li Xunran! "

What!

Hearing this name that often appears in major newspapers, all reporters were completely dumbfounded.

They were all astonished, and they couldn't believe their ears!

Li Xunran!

Then, isn't it a disciple of Old Yao?

And is the most outstanding disciple!

Da Da Da...

Immediately afterwards, a graceful figure walked out of the crowd, with a plain face and a natural appearance, but it was difficult to conceal the dignity and beauty.

At the moment of seeing this stunning beauty, the audience was completely in an uproar!

"It's really Li Xunran!"
