

Chapter: 1391

“Yangzhi, this trash still knows you. It seems that you are so hard for your old feelings.”

A man walked out of the crowd and stared at Lin Fan unkindly.

“Wang Yun, you shut up! What is my identity, Zhao Yanzhi, how could I be attracted to this kind of waste?”

Zhao Yanzhi suddenly sneered, looking at Lin Fan with deep contempt.

“Lin Fan, haven’t seen you for a long time, you are still so useless!”

At this time!

Lin Fan’s expression also sank.

Wang Yun!

Zhu Yiqun!

Feng Shaoting!

All of them were young and old from the big wealthy families in the capital, and they were also the people who had insulted him in the Lin family, but now they all stand in front of him.

And that Zhao Wanzhi, the fiancée who had been with him before, was only seven or eight years old, but she was as poisonous as a snake.

With a group of children, Lin Fan, who was only ten years old, vomited blood into a coma, and finally threw him into a dry well. If it weren’t for being discovered, Lin Fan would already be dead.

Lin Fan didn’t expect that the enemies of the past would appear in front of him in groups.

If I want to come, I also came to attend Lin Zuo’s banquet!

Now!

The corner of Lin Fan’s mouth was outlined with an icy arc. Mobile terminal:

Things seem to be slowly becoming interesting.

“Lin Fan, who are they?”

Bai Yi couldn’t help asking Lin Fan when he saw that the opponent was bad.

just!

Before Lin Fan answered, that Wang Yun said extremely arrogantly:

“We are his nightmare, because as soon as he meets us, he will be unlucky!”

These young and old are still as arrogant and domineering as before, and they still think that Lin Fan in front of them is still the rubbish they could insult at first.

Therefore, Wang Yun directly looked at Lin Fan with a condescending posture:

“Lin Fan, kneel down!” The voice fell, and the atmosphere of the audience changed suddenly!

“Wang Dashao is still nostalgic, and he wants to take Lin Fan to relive his childhood!”

“Wang Yun, you are too much. Somehow they get married and let him kneel in front of his wife. They don’t want face? ”

Does waste have face?”

Hahaha!

All the elders suddenly laughed, as if they had gone back to the scene of bullying Lin Fan together.

All of them showed contempt, looking forward to seeing Lin Fan embarrassed again!

“What’s the point of kneeling, Lin Fan, let your wife accompany me to sleep, so I will consider forgiving you!” Zhu Yiqun sneered, with a hint of chill in his eyes:

“I think you should not refuse Mine?”

Now!

Bai Yi’s face became gloomy, and these people were more shameless than she had imagined.

As soon as they met, they made Lin Fan kneel down.

Even more, do you want her to sleep with?

This is to slam Lin Fan on the soles of his feet!

“Who are you, why did Lin Fan offend you and make you humiliate him like this?” After that, Bai Yi glared at Wang Yun and the others.

Ok?

Her words made all the great and young people stunned, and then they all burst into laughter.

“He didn’t offend us, but if he didn’t offend us, can’t we humiliate him?”

“Impossible dog, isn’t it just for stepping on?”

That straightforward look, as if Lin Fan was born to kneel in front of them .

“You guys!”

Bai Yi’s face was so ugly that she had encountered such an unreasonable person for the first time.

And Zhao Yanzhi also smiled and stretched out his hand to Bai Yi :

“Miss Bai Yi, right? Get to know, my name is Zhao Yanzhi, the parent and daughter of Zhao, the leading enterprise in the transportation industry in Beijing!”

“I advise you, or leave Keep this waste away, don’t be nosy, we don’t want to hurt the innocent!” But Bai Yi slapped her hand away and said coldly:

“I don’t care who you are, I only know that no one can be in front of me. Insult my husband.”

Bai Yi nowadays has no good feelings for these people in front of him.

Ok?

Seeing that the other party didn’t give face so much, Zhao Yanzhi’s face suddenly sank, and a trace of anger appeared in his eyes.

“Bai Yi, who in the whole Jiangnan doesn’t know that you are a slut who can do everything possible. By climbing on the bed of the big powers to climb to your current position, a bitch still has a torii ?” Zhu Yiqun suddenly snorted. Seeing Bai Yi didn’t know good or bad, he got angry on the spot.

“A shameless slut, dare to be disrespectful to the big sister, I think you are looking for death!”

Just!

As soon as Zhu Yiqun’s voice fell, his chest suffered various kicks.

boom!

follow closely!

He flew out on the spot, hit the ground heavily, then rolled his eyes and passed out completely.

what!

Everyone was stunned at this moment, and then stared at Lin Fan with angry eyes!

This rubbish, dare to beat people?
