

Chapter: 1404

what!

Seeing this, everyone's laughter stopped abruptly!

What exactly happened to scare Mu Lingshan into this look?

For a moment!

Everyone just finds it incredible!

Are they dreaming?

That call really came to Mu Lingshan?

Moreover, just a phone call made him, the dark emperor's guard, completely scared to the ground?

"Lao Mu, what's the matter with you?"

Seeing this, Wang Yun and the others also realized something was wrong, and their voices were trembling.

They knew Mu Lingshan very well, and they went to the blood prison alone, and even experienced life and death in it.

From this point, it is enough to see that Mu Lingshan is a tough guy!

But now, for the first time, they saw Mu Lingshan who was not afraid of the sky and the earth, so scared!

This, what happened!

On the spot, the atmosphere became extremely depressing!

There is an ominous omen in everyone's heart!

but!

Mu Lingshan didn't explain, but looked at them in horror:

"Go! Go away! Otherwise, it will be too late! He will kill you!"

Boom!

These words completely shocked everyone who was upset!

Lin Fan, kill them?

How can it be?

Just rely on this waste?

Mu Lingshan is shocked, right? All started talking nonsense!

This one!

On the contrary, Wang Yun and the others were not nervous anymore, they all laughed and laughed, as if they had heard a joke.

"Lao Mu, when did you become so courageous, a trash scared you, but did you talk about what was said on the phone?"

They didn't believe that Lin Fan's nonsense could be so ability!

It is estimated that Mu Lingshan was bluffed by Lin Fan's pretense!

just!

Before Mu Lingshan could answer, there was an uproar at the door!

One by one, the big guys enter the venue one after another!

Everyone looked solemn and vigorous, and the terrifying aura immediately suppressed everyone present.

"Long Jiu, the Four Great Lords, Dragon Tiger God of War, Lord Blood Lord, my God! The big guys are about to enter the arena, so let them go!"

Everyone was horrified and gave way!

Then, they stared at the group of big men eagerly, unable to conceal their excitement, wanting to see if Lin Zuo was in the middle of it.

just!

Looking around, they were all disappointed!

"Why Lin Zuo hasn't come yet?" At this time, everyone ignored Lin Fan, the jumping clown, because for them, getting to know Lin Zuo was their main purpose today.

Wang Yun's face suddenly became difficult to look, and he gave Lin Fan a cold look:

"Dog stuff, your luck is really not so good, and you can stay alive for a while."

At this time!

Lin Fan also responded with a smile:

"It's just each other."

Upon hearing this, Wang Yun suddenly became angry, but the big men came together, and he didn't dare to continue making trouble.

And this time!

Long Jiu went straight to the rostrum, then turned around to face the guests present.

Before he could speak, the guests could no longer hold back, and they all asked:

"Long Ye, where is Lin Zuo? Didn't you come with you?"

"Long Ye, isn't Lin Zuo coming? ? ?"

I'm sitting on a twenty-hour flight, specially from overseas to come back, just to see the forest side of the seat, you can not play me ah! "

see here!

Zhao Yanzhi suddenly giggled and looked at Lin Fan with sorrow and gloat:

"Lin Fan, Long Jiu has arrived, you dare to live in Room No. 1 Tianzi, can you bear Long Jiu's anger?" In a moment, she was about to take it

Report this incident to Long Jiu, once Long Jiu knows about it, he will definitely not let Lin Fan go.

Hear the words!

Wang Yun and the others all laughed, and Lin Fan had to ask for more blessings.

but!

Lin Fan just smiled and said nothing.

To endure Long Jiu's anger? Long Jiu has to think about whether he can bear his anger!

Long Jiu smiled slightly and said:

"Lin Zuo, has arrived, and is in the venue!"

"Next, I will ask Lin Zuo to meet everyone!"

Boom!

The atmosphere of the audience burst completely!
