

Chapter: 1405

Lin Zuo is here?

And hiding in the crowd?

Are they dreaming?

Now!

Everyone looked around nervously, and their faces were full of urgency.

Lin Zuo is here, and they can finally see that legendary person they dream of!

“Lin Zuo, why don’t you call you? Aren’t you going up yet?”

Zhao Yanzhi sneered unkindly.

what!

Everyone’s expressions changed wildly, and they all looked at Lin Fan in amazement.

This rubbish, is Lin Zuo?

Are you kidding me?

“Sister, what are you talking nonsense?”

Feng Shaoting and the others asked with a surprised look.

“I said last night that he is the famous Lin Zuo.”

Zhao Yanzhi said contemptuously, deliberately making Lin Fan embarrassed in the crowd:

“No wonder people look down on us, after all, he is the famous Lin Zuo in China!”

Hahaha!

Everyone burst into laughter, and looked at Lin Fan with contempt.

“Lin Fan, you are more shameless than I thought!”

“If you are Lin Zuo, then I am the dark emperor!”

“Oh, I see, the call just now must be the dark emperor. Right?”

Wang Yun and the others burst into laughter suddenly, and yin and yang ridiculed Lin Fan weirdly.

Obviously don’t believe Lin Fan’s nonsense!

Lin Fan shook his head and sneered:

“The caller is not the dark emperor, but the mad god of blood hell!”

Puff!

Hahaha!

Everyone laughed even more presumptuously. This idiot is enough, saying that you are fat and you still pant?

Pretending to be Lin Zuo, thinking that you can get out like this?

Isn’t it too naive?

Wang Yun and others all had sneers on their faces, and they didn’t even bother to ridicule Lin Fan. They suddenly felt that it was a shame to compete with such an idiot.

Zhao Yanzhi also shook his head and smiled disdainfully:

“Compared with Lin Tianxun, you are simply not worthy of even giving him shoes. No wonder the Lin family would expel you at the beginning, because you are such rubbish that you were born to be trampled on. Yes!”

“Born to be a shame!” It’s not just them!

Bai Yi at this time also ran in tears completely!

Lin Fan, nonsense!

Even Lin Zuo dare to pretend?

This is simply looking for death!

Immediately, she yelled at Lin Fan angrily:

“Lin Fan, either leave with me now, or you will be at your own risk, and I will no longer care about you!”

She immediately turned her head and left, obviously she was heartbroken by Lin Fan. .

She took the risk to attend this banquet, and was insulted and despised.

Lin Fan still pretended to be Lin Zuo without knowing it, she was too disappointed.

“Bai Yi...”

Lin Fan yelled, but Bai Yi ran out crying without looking back.

See here!

The faces of Long Jiu and others on that stage were completely gloomy!

Zhao Yanzhi and his party, is this looking for death?

“Yo, your wife has abandoned you, Lin Fan! Are you destined to be the lone star of the evil god? You were abandoned by others?”

Zhao Yanzhi laughed strangely. The Lin family abandoned him, abandoned him, even now Bai Yi also abandoned him.

Lin Fan is like a big joke, he was insulted by others!

boom!

In an instant, Lin Fan’s eyes were so cold that he said word by word:

“Now, all of you, it’s time to bear my anger!”

Bai Yi has already left!

So now, he no longer has to hide his identity!

It’s just his words, but they can only provoke everyone’s disdain and insult, and no one takes him seriously!

But at this moment!

Da Da Da...

Lin Fan stepped forward, step by step towards the stage!

what!

Everyone on the scene exploded and looked at Lin Fan with incredible eyes.

Is this guy really going to talk on stage?

Does he really think of himself as a forest seat?

“Lin Fan, are you looking for death?” Wang Yun snorted angrily, unaccustomed to Lin Fan’s delusion.

“If he wants to die, let him go, what to stop him?”

Zhao Yanzhi’s mouth raised a vicious smile.

Now!

Everyone looked like an idiot, looking at Lin Fan extremely contemptuously, with smirking smiles at the corners of their mouths.

As if already foreseeable, this will be a dead person!

But Lin Fan turned a deaf ear to the doubts and scolding around him, still maintaining his own pace steadily.

At this time, Long Jiu also strode towards Lin Fan in a stride, his expression gloomy to the extreme.

It is his negligence to humiliate Lin Zuo!

Seeing that Long Jiu’s expression was wrong, the grinning on everyone’s faces became more intense, and they all felt that Long Jiu was going to trouble Lin Fan.

But just when everyone thought that Lin Fan was about to face a catastrophe.

But I saw an extremely horrifying scene! Mobile phone:

Long Jiu knelt down towards Lin Fan, and said in a deep voice,

“Long Jiu, I have seen Lin Zuo!”
