

Chapter: 1430

at this time!

Li Xiuyun and others were also there, and Li Xian's eyes were full of envy and jealousy after seeing these extremely luxurious decorations.

"So grand! I'm afraid I won't have a way to enjoy this kind of wedding in my life, right?"

This!

Probably it is every woman's dream!

And Li Xiuyun sneered:

"Isn't your husband very good? Let you buy it for you? I think it shouldn't be difficult for him to be a small group owner?"

Hear the words!

Zhou Peize suddenly cursed in his heart that he was immortal!

How could he be so extravagant?

Just to book a wedding banquet in JiuhuaFu on this day, you have to start with eight figures!

Not to mention, these luxurious and outrageous decorations, which add up to several hundred million, right?

If you spend a few hundred million to set up a banquet, is it true that your daughter is not diamond-studded?

Seeing Zhou Peize not speaking, Li Xian also smiled bitterly, apparently also aware of his thoughts at this time.

quickly!

A festive helicopter with red all over them passed over their heads.

When everyone saw it, they were completely shocked!

"It's the family pick-up team back! The first lady is here!"

Everyone immediately looked up with excitement, wondering what kind of woman it was, who was able to live such a good life, so that the dignified Lin Zuo would willingly fall under her pomegranate skirt!

The helicopter landed in the backyard, and the Bai Yi family was shocked once again just after getting off the plane!

Right now!

Thousands of bridesmaids and waiters, all side by side, bowed to her respectfully:

"Welcome to Mrs. Lin!"

Bai Yi was completely frightened, and his face turned pale!

She shook her head vigorously:

"It's not me, it can't be me! You must be mistaken!"

How can she be able to make thousands of people stand on their backs?

She can't believe it!

On the side, Long Jiu also smiled. If Bai Yi knew what Lin Fan did for her, I'm afraid he would be even more shocked, right?

today!

Lin Fan used the power of a province to host this wedding banquet for her!

The debts of the past three years have been fully replenished today!

"Miss Bai Yi, don't doubt it! The protagonist today is you!"

"These are all arranged by Mr. Lin! You enter the banquet soon, don't make the guests wait in a hurry!"

Long Jiu said kindly and kindly, and then involuntarily took Bai Yi's hand and strode towards the venue.

just!

When I walked to the hall, I suddenly saw Shen Jian and Cuiping.

After seeing Bai Yi, the two of them were also taken aback, and then there were ill-intentioned smiles on their faces.

then!

The two of them strode forward, pushing Long Jiu away involuntarily, holding Bai Yi's hand one left and the other right.

"Bai Yi, let's take you to the venue!"

Ok?

Long Jiu was pushed in such a way and suddenly became angry, and asked angrily:

"Miss Bai Yi, who are these two?"

As the commander-in-chief of Jiangnan, he has never been insulted like this.

Bai Yi explained with a wry smile:

"They are my uncle and aunt!"

Long Jiu was taken aback at once, and quickly suppressed the dissatisfaction in his heart, and said flatly:

"Since you are relatives of Miss Bai Yi, let them take you to the venue!"

Miss Bai Yi's relative, that is Lin Zuo's relative, must not be offended!

"It's good to know, what's the matter with you, you can go!"

Cuiping said impatiently, and then directly took Bai Yi and left.

at this time!

In that wedding banquet, everyone looked forward to it, and the audience was silent, all looking nervously toward the passage!

On the face, it is hard to hide the excitement and ecstasy!

Soon, they will see Lin Zuo!

I saw that mysterious man!

The Shen family and the Bai family didn't even dare to blink their eyes at this time, for fear that they might miss something in the blink of an eye.

But for a long time, the emcee ran to the front of the stage and shouted loudly:

"Next, let us invite the bride of this wedding to appear!"
