

# Chapter: 1445

boom!

Dong Qianqiu, completely blown up!

The eyeballs were staring round, and every pore in his body trembled frantically!

Universal Group!

The top three super chaebols in the world!

It is said that the financial resources of the Universal Group are enough to affect the economy of a country!

It is even enough to buy a small country!

Strong financial resources, extremely terrifying!

Don't talk about a Dong's group, even ten, a hundred! It's all right!

"No...impossible!"

Dong Qianqiu shuddered immediately, looking like his dead parents.

A phone call allowed this super chaebol to attack their Dong Group, then Lin Fan's identity...

"You think so well!"

Mike sneered, then stared at Dong Qianqiu playfully:

"The rubbish in your mouth, the quack doctor you look down upon, is the big boss of Universal Group!"

Wow!

Hearing this, Dong Qianqiu almost fainted. God Doctor Lin is the big boss of Universal Group?

I want to buy his company?

Thinking of this, he almost has a dead heart!

Own, this is dying!

At this moment, he felt that his worldview had been subverted!

There was a deep fear in those eyes!

"Doctor Mike, are you sure you are not joking? Is he really the boss of Universal Group?"

The chaebol lord behind a super chaebol, turned out to be a young man in his early twenties?

How can this make him believe!

"In Huaxia's words, you are such an old idiot!"

Seeing that the other party was still not giving up, Mike suddenly snorted:

"I tell you, he is the behind-the-scenes boss of Universal Group! In addition, he has another identity, one that is a hundred times more honorable than me!"

Still have identity?

Dong Qianqiu and Dong Huayu simply want to die!

Does Mike think they are not scared enough?

He even planned to tell them that Lin Fan has another identity?

But Mike doesn't care about that much, he just wants these two guys who don't know how to do it, they are completely desperate!

At the moment, he smiled grimly and said:

"Have you heard of the Bone Saint?"

boom!

The shock of these words is like tearing apart Dong Qianqiu's grandfather and grandson!

They just feel that their brains are blank, as if they have fallen into short-term brain death!

Bone Sacred Hand!

If anyone in this world can be called a genius doctor, then it must be him!

The genius doctor Lin, is the sacred hand of the bone?

Moreover, the person threatened by them?

Horrorified!

despair!

Endless madness!

"You Dong's Medicine is really amazing! Dare to grab the formula developed by the Bone Sacred Hand personally, and dare to compare financial strength with Global BOSS! Bull!"

Mike gave them a thumbs up, and then left with a laugh.

Because in his eyes, the grandfather and grandson are not far from death!

"Grandpa, our disaster is imminent! We are dead!"

Dong Huayu had already cried into a stupid, and wailed hysterically.

"Hahaha, be smart! Find your own way!"

Dong Qianqiu laughed wildly, as if he was crazy:

"I dare to provoke the world's number one genius doctor. With such a existence, it is too late for others to flatter me. I'm so amazing!"

"A fool like me doesn't die, it's God's eye-opener!"

At this time, even Mo Qianqiu himself felt that he was damned!

Ding Ding Ding!

At the moment, the voices of the text messages are coming one after another!

News text messages are constantly bounced out!

"The Dragon City branch of Dong's Medicine has been temporarily closed due to suspicion of tax evasion and is under investigation!"

"Huaxing Pharmaceutical, with incomplete documents and violating the labor law, was forced to be investigated! According to reports, Huaxing Pharmaceutical is a subsidiary of Dong's Pharmaceutical!"

"In just one hour, Dong's Pharmaceutical stock plunged 10% for no reason!"

.....

Messages like this keep coming!

So that Dong Qianqiu's grandfather and grandson are better than dead!
