

Chapter: 1448

what!

Dong Mingfeng's expression suddenly changed, as if he had thought that Bai Yi would refuse!

You can collect money without doing anything. Who can refuse such a pie-in-the-sky thing?

It seems!

I underestimated this girl!

Right now, he changed his tone:

“President Bai Yi, do you think the price is low?”

“Let's do it, how about dividing the account for four or six? This is the last concession I can make. After all, we will be responsible for development, sales, advertising, etc. when the time comes. This is a big investment!”

follow closely!

He is acting extremely painful!

“If this is the case, President Bai is not willing to agree, then I can only say goodbye!”

This trick is to retreat for advancement, he is considered to be extremely proficient, and he believes that this time Bai Yi has a reason to refuse.

Bai Yi just wanted to dare to refuse, but before she could speak, a cold voice resounded!

“I don't think so much!”

Ok?

The two people in the room are all looking towards the place where the sound is coming from!

After seeing Lin Fan, Dong Mingfeng was visibly startled, and a touch of contempt appeared on his face.

He could tell at a glance that the man in front of him was the trash son-in-law of Bai Yi!

“Bai Yi, this is your trash son-in-law, right? Your Bai family doesn't have a tutor, so let a dog just interject!”

His look was extremely contemptuous.

Obviously, he didn't put Lin Fan in his eyes at all.

Upon hearing this, Bai Yi suddenly became angry and roared:

“Dong Mingfeng, keep your mouth clean! Lin Fan is my husband. If you dare to insult him, get out of here!”

But at this time, Lin Fan also smiled contemptuously:

“You Dong's medicine, are you amazing?”

Ok?

Dong Mingfeng was obviously taken aback, and then said with an arrogant expression:

“You rubbish, don't even I know about Dong's medicine?”

“I, Dong's Pharmaceuticals, has been the No. 1 in pharmaceutical sales in the country for 30 consecutive years. We have developed more than 100 kinds of medicines. We control several listed companies under our control. We dare to be No. 2 in terms of pharmaceuticals in the Chinese business community. !”

At the moment, he thought that Lin Fan didn't know about their Dong Medical, so he asked this question.

But I don't know, Lin Fan is mocking!

Lin Fan was indifferent and asked with a smile:

“So, how old is it than medicine?”

what!

Dong Mingfeng's complexion suddenly became extremely ugly. No matter how great their Dong's medicine was, they didn't dare to compare with Yao Lao!

Lin Fan, are you hitting him in the face on purpose?

“Lao Yao, a genius doctor of Huaxia, with high morals, peaches and plums all over the world! Who can compare the whole Huaxia apart from the Bone Sacred Hand? Your question is simply ridiculous!”

Their Dong family and Yao Lao are not of the same level at all!

Lin Fan's comparison with the Dong's family is simply humiliating the Dong's family.

“Okay! Then don't mention Yao Lao, just mention your Dong family!”

Lin Fan smiled slightly and asked:

“How old are you in Dong's house?”

Now!

Dong Mingfeng said proudly:

“I am the son of Dong's patriarch, the son of the Dong's patriarch. Apart from him, of course I am ranked first!”

just!

When Lin Fan heard this, he said with a look of disdain:

“It turns out, it's only second! But your Dongs, the first one saw me, I'm afraid I have to kneel down and bow!”

“What kind of thing are you worthy of talking to me about splitting the accounts?”

boom!

As soon as these words came out, the atmosphere burst!

Bai Yi and Dong Minghua were completely dumbfounded!

When the Dong family saw Lin Fan, he had to kneel and salute?

What the hell is this kid talking about?

Even Bai Yi at this time felt that Lin Fan's cowhide was overblown!

He is a door-to-door son-in-law, what right does he have to make Dong Jiade's respected father kneel down and salute?

It's ridiculous!

At the moment, Dong Mingfeng was completely furious, staring at Lin Feng with spiteful eyes:

“President Bai, I have kindly come to you for cooperation! If you don't appreciate it, you still dare to insult our Dong Medical, you are too arrogant!”

“Since you are deliberately seeking death, don't blame me for being cruel!”

“Dong's acquisition of Xinbai's will start tomorrow! You guys, prepare to ruin your family!”
