

Chapter: 1456

Longya is a well-known Chinese army, belonging to the special army, and ranked among the top ten in the entire Chinese army.

And these people turned out to be Longya people?

What is even more terrifying is that from the big man's certificate, he clearly sees that it says Samsung Warlord.

At this time, Li Quan was so scared that Qiqiao was about to smoke, and his eyes were full of panic and consternation.

"You just insulted all the high-ranking fighters in Longya!"

The big man grinned and patted Li Quan on the shoulder.

boom!

Hearing this, Li Quan almost freaked out, his face completely pale.

"me..."

He wanted to explain, but I couldn't say a word for a long time.

These people, all belong to Longya, and all are warriors?

OMG!

What did you do?

But at this time, when Wang Feifei saw Li Quan lying on the ground in terror, he was also puzzled. What did the big guy say that scared a dignified old Dong with a hundred billion yuan to almost incontinence?

"Chairman, what are you doing? You don't want to clean up these dead wastes, how did they insult you just now, have you forgotten?"

"Don't let them fool you!"

Wang Feifei said, Li Quan would not really believe that these people have great identities, right?

Hearing this, Li Quan almost lost his breath, and immediately shouted at Wang Feifei hysterically:

"Shut up! You bitch shut up for me! Otherwise, I will kill you!"

Those military-licensed vehicles are clearly in front of you, how can they be faked?

This idiot woman still dares to say nothing to these warlords, this is to kill him.

But Lin Fan said with a smile:

"Yes, Chairman Li, am I waiting for you to clean me up?"

At this time!

Li Quan looked at Lin Fan in horror, and suddenly remembered the questioning of these fighters in his mind, do you know who Lin Fan is?

Is it possible that this guy still has an identity he doesn't know?

It must be so!

Otherwise, how could these warriors kneel in front of Lin Fan like dogs?

Right now, he realized that he had caused a catastrophe, and looked at Lin Fan with horror:

"You...who are you?"

Hahaha!

At the moment, a group of warriors from Dragon Tooth laughed loudly, as if they had heard a big joke.

And the louder they laughed, the more flustered Li Quan.

At this time, both legs were trembling, and I really felt like I was about to pee.

The big guy laughed and said:

"Idiot, you are really blinded by your dog's eyes, you don't even know the dignified wood seat!"

boom!

These words are like five thunders, deafening!

It made him crazy!

At this time, Li Quan was covered in cold sweat instantly, as if he had been fished out of the water.

Lin... Lin Zuo?

Didn't you make a mistake just now?

Is this guy Lin Zuo?

It's not just Li Quan!

After Xiaomei and Wang Feifei heard this, their brains exploded instantly, completely dumbfounded, and their eyes were filled with confusion.

Lin Zuo? How could he be Lin Zuo?

Isn't this guy the son-in-law?

Why did it become a forest seat?

At this moment, they couldn't believe their ears, they just felt that they were dreaming.

Li Quan's eyes were dark, and he was about to faint immediately. He was already crying in tears,

"Lin Zuo forgive me! Forgive me! I didn't mean it. It was Dong Mingfeng's idea. It was him who wanted to harm you. It has nothing to do with me!"

"Just treat me like a fart, let it go!"

On the side, Wang Feifei was also ashamed, and fell helplessly on the ground, completely desperate.

She, a star, dare to insult Lin Zuo?

Now that even Li Quan is finished, then she...

A deep regret suddenly appeared on her face, knowing that she had caused a disaster.

That is one of China's four major military seats!

If you offend him, can you still have a way to survive?
