

Chapter: 1461

Three days later, it happened to be the day when New Bai's new vaccine was launched.

To this end, Bai Yi invited the whole Jiangnan gangsters to come to this release meeting and attend the dinner by the way.

At this time, Lin Fan also received Long Jiu's report that Lin Chentao was in Jiangshi!

In addition, the censorship has been issued, and three days later, no one of Jiangnan is allowed to participate in the release meeting of the new Bai family.

Those who violate the order are enemies with him!

"That's it?"

Lin Fan smiled contemptuously and shook his head:

"I thought that the Lin family's big and young could have some great methods. It turned out to be pediatrics."

"It seems that I am underestimated!"

Immediately, a killing machine appeared between Lin Fan's eyebrows:

"You also pass the order to me. Three days later, those on the invitation list must participate in this release meeting!"

"Those who violate the order are also against me! I want to see if they are afraid of the Lin family or the Lin Zuo!"

.....

And this time!

The Zhu family, also received the invitation letter!

"Zhu Ru, your cousin has a release meeting tomorrow and invited us, let's go together."

Shen Yuzhi said with joy:

"Her vaccine will be available soon. This is a good thing for the world. This girl is so prosperous. You can learn more from her."

what!

Zhu Ru's face suddenly became ugly, and the jealousy in her heart was almost crazy.

She used to look down on Bai Yi, thinking that she was married to a waste, but now she is the president and the Jiangnan Communist Party, and she has developed a vaccine that benefits all mankind.

Compared with her, she is not a shit, and she has been compared fiercely.

This made her feel a deep resentment in her heart.

"I'm not going! That bitch's current status and status are all obtained by accompanying a man to bed. It's disgusting! I don't want to be in the same room with her."

Zhu Ru said in disgust, deliberately using this to cover up his jealousy.

"You! What nonsense are you talking about! Bai Yi is not that kind of person, what she said is your cousin, how can you say that to her?"

Shen Yuzhi was trembling with anger, wishing to slap Zhu Ru a few times.

But Zhu Ru sneered and said sarcastically:

"Isn't it? Otherwise, how could she make the whole Jiangnan bend her head in just half a year?"

"Rely on the Bai family, rely on the Shen family?"

This...

Shen Yuzhi suddenly couldn't argue, but she also felt that Bai Yi's sudden change was a little weird.

But she still felt that Bai Yi did not look like that kind of person.

At the moment, Shen Yuzhi calmed down and ordered:

"Anyway, you are not allowed to say that to your cousin in the future, don't heal the scar and forget it hurts!"

"Hey, it's like someone likes to talk about her!" Zhu Ru replied impatiently.

At this time, Zhu Zhide came back, and when he saw the mother and daughter blushing, he asked suspiciously:

"What's wrong with you girls?"

Seeing Zhu Zhide, Zhu Ru suddenly seemed to see a patron, and said with a smirk:

"Dad, Mom asked me to attend the release meeting of that bitch Bai Yi, do you say we are going?"

boom!

Unexpectedly, when he heard this, Zhu Zhide's expression suddenly changed, glaring at Shen Yuzhi:

"You want to participate in that bitch's release meeting, are you going to kill our family?"

The look of his eyes cracked, it was as if he was going to eat people!

what!

Shen Yuzhi couldn't help but froze, stuttering:

"Isn't it just to participate in a release meeting? Isn't it so serious?"

Just attending a release meeting?

"idiot!"

Zhu Zhide roared like crazy:

"Do you know that Bai Yi is a plague now, everyone stays away!"

"Just now, I received the message. This time at the release meeting, a big man ordered her to not participate in her release meeting, otherwise he would be an enemy of that big man!"

"Do you know who that big man is? He is the young man of the Lin family, Lin Chentao!"
