

Chapter: 1464

what!

Everyone's expression changed. Is this guy crazy?

They thought that Lin Fan and Bai Yi would be completely furious, and then discarded the coffin, but this guy actually asked to show it?

Is this not embarrassing enough?

Is this guy already mad?

At this moment, they all feel incredible!

"Lin Fan, you..."

Even Bai Yi couldn't help being stunned, didn't Lin Fan embarrass themselves by doing this?

As soon as the guest arrived, they were ashamed.

"Don't worry, I have my own plan! You need to know, whoever humiliates, people will always humiliate!

Lin Fan said coldly.

Hearing this, Zhu Zhide snorted and said displeased:

"Then I want to see, how can you humiliate me!"

A trash, dare to threaten him?

Really ate the ambition of the leopard!

Talking!

Zhu Zhide ignored the two and led everyone into the venue in stride.

The face is full of pride!

After arriving at the venue, I saw that the entire venue was empty, only a few scattered waiters.

"Hahaha, Bai Yi, it seems that we are your only guests today. You should really thank us and still value you."

Zhu Zhide said harshly, as if coming to this release meeting was a great gift to Bai Yitian.

And Zhu Ru, who was on the side, also smiled gleefully:

"I'm so ridiculous, your Xinbai clan is too pitiful, right? There was no one to come after a release meeting."

"I guess, it's because of your cousin's bad reputation, so they didn't come."

Bai Yi was trembling with anger, and really wanted to drive this family out.

Since she appeared, she has insulted her again and again, do you really think she is good for bullying?

But before Bai Yi could speak, Lin Fan said coldly:

"Don't worry, the guests we invited, a lot of them, will show up."

what!

Zhu Ru and others were stunned, and there was a sneer at the corners of their mouths, as if they had heard a big joke.

This idiot, probably didn't know that Lin Chentao was the one who offended him?

So naive!

If you really want guests to come, that's the hell!

How could those big guys offend Lin Chentao for the sake of a little new Bai clan?

"Joke, what are you guys qualified to let those big guys here? It's really overkill!"

"Bai Yi, now do you know what the sky is high and the earth is thick? It's not that easy to run a company!"

"Today your Xinbai clan besides us, if anyone else comes to celebrate your achievements, I will write three words upside down!"

All three were triumphant and humiliated Bai Yi to the utmost.

And hearing this, Bai Yi's face also became extremely ugly, and those who were wronged almost cried.

It's already four o'clock, but there is still no one to participate. It seems that as Zhu Zhide and the others said, no one will come today.

But right now!

A roar of the car, suddenly sounded from the door!

"President, a guest is here!"

The secretary came to report in a hurry.

what!

These words suddenly changed the expressions of Zhu Ru's family, and at this time they couldn't believe their ears.

Are there any guests coming?

What a joke!

Who is so courageous to take the risk of offending Lin Chentao to attend this slut's celebration feast?

"Really?"

Bai Yi's eyes lit up, and then walked out quickly, preparing to welcome the guests personally.

In an instant, Zhu Ru and the others' faces became unsightly, and a touch of anger appeared in their eyes.

"Let's go, let's go and see, who on earth dare to die!"

Then, a group of people came to the door!

Immediately I saw Mercedes-Benz Maybach one after another, driving through the doorway, and then four people in luxurious clothes walked down from the car.

They are the four great masters of Jiangnan!

"It turns out that it is the four masters! They guessed it was because of the face of the King of Blood Prison that they gave Bai Yi a three-point thin face. Besides them, no one will come again.

Zhu Zhide suddenly realized, and then he looked contemptuously.

"Bai Yi was really shameless, and went to bed with a man, and even hooked up with the King of the Blood Prison."

Zhu Ru coldly snorted, in fact, the jealousy in her heart is almost mad, and she also wants to be the lover of the King of Blood Prison, but it is a pity that she has such a life.

just!

As soon as their voices fell, a shocking scene happened!

boom!

Under their unbelievable gazes, cars kept coming in from the end of the road.

In an instant, the door of the deserted hotel was filled with people's shadows.

Each one is a million-level luxury car!

What's more, come directly by private helicopter!

With strong awe and anxiety on everyone's faces, they rushed towards the door of this hotel.

Zhu Zhide was dumbfounded and screamed in horror:

"Impossible, this is impossible!"
