

Chapter: 1469

boom!

The atmosphere bursts!

Everyone can't believe their eyes.

Looking at Lin Fan with an extremely horrified look.

This guy is really impatient!

From these words, they could clearly feel that Lin Fan could not survive!

At this time, Zhu Ru's eyes glowed with excitement, and her heart was beating wildly, because what she was looking forward to was about to happen.

At this moment, she seemed to be able to see that Lin Fan died tragically and Bai Yi screamed tragically.

"Hahaha!"

Lin Chentao seemed to have heard Tianda's joke, shook his head and said sarcastically:

"It's a pity, I won't die! On the contrary, you have to die here today!"

Talking!

He directly passed Lin Fan and walked towards the crowd.

In his opinion, Lin Fan's trash is not worthy of his attention.

His cold gaze immediately looked around, with a strong murderous intent:

"It seems that what I Lin Chentao said is not good? Or is my Lin family no longer respected?"

Hearing this, all the big men present shuddered, their legs weakened, and looked at Lin Chentao pitifully, with panic and pleading in their eyes.

They knew that Lin Chentao was angry!

This is deliberate after the fall!

On the side, Dong Mingfeng was also angrily reprimanded by the fake tiger.

"You are so courageous, you even dare to disobey the orders of your elder sister and children, I think you don't want to live anymore!"

boom!

The big guys at the scene suddenly got a numb scalp, and each of them was completely blown up.

Right now, there was a big guy who knelt on the ground with a puff, and said in fear,

"Forgive me! It's not that we want to come, but we have to come!"

The other big guys also showed pleading expressions, begging for mercy one after another.

"These are all Lin Zuo's orders, we dare not fail to follow them!"

"Yeah, you masters are fighting, why bother for us villains?"

These big brothers are miserable, because they can't be offended by anyone.

Lin Zuo?

Dong Mingfeng was completely dumbfounded, why is Lin Zuo involved in this?

Then he looked at Lin Chentao anxiously.

But saw Lin Chentao disdainfully said:

"Lin Zuo? Really speaking nonsense, do you little Xinbai have such a big face? You have all been deceived by them!"

Even their Lin family asked Lin Zuo to cooperate, but they were rejected.

What is Bai Yi?

Also worthy to associate with Lin Zuo?

Wow!

Everyone suddenly showed horror and was deceived?

No way?

At the moment, their expressions have also become unsightly.

In fact, they all suspected that a Xiaoxin Bai family could have such an ability to let Lin Zuo personally give orders and order the whole Jiangnan to participate in the release meeting.

and!

How could Lin Zuo offend a behemoth like the Lin family for the sake of a new Bai family?

At this time, they all felt that they were cheated!

And Zhu Ru snorted coldly:

"Bai Yi, you are so courageous. Don't tell me that you have killed the Third Young Master of the Lin Family. Now you dare to deceive people in the name of Lin Zuo. Are you impatient?"

boom!

As soon as Bai Yi heard this, she was almost paralyzed in shock!

She shook her head crazy!

"I don't have one, I don't even know what happened!"

It turns out that these big men came to her release meeting because of Lin Zuo.

But she didn't know anything at all!

"I'll take it as if you don't know it. As long as you say you divorce Lin Fan now, I don't need to embarrass you!"

Lin Chentao smiled gloomily, he wanted to let Lin Fan be abandoned by his wife in full view.

"President Bai, I, Lin Chentao, don't give people a chance easily, you have to take it well!"
