The one who came was Qin Xianzhong!

Since he learned of Lin Fan's identity, he vomited blood and passed out, but after knowing that his old mother came to the Bai family to settle the accounts, he jumped up on the hospital bed in fright.

He drove directly to the Bai's house, but as soon as he entered the door, he heard Zhao Xiulan's lifeless words, making him almost scared to pee on the spot.

"Qin Xianzhong, you came just right, this dog dare to hit me, you help me kill him!"

When Zhao Xiulan saw her precious son coming, her tail was almost up to the sky.

His face was suddenly covered with thick viciousness and viciousness.

But when Qin Xianzhong heard this, he rushed up to cover Zhao Xiulan's mouth as if he had seen a ghost:

"Mom, don't talk nonsense! How could Mr. Lin and Mrs. Lin hurt you?"

Mr. Lin, Mrs. Lin?

Everyone is dumbfounded, did they misheard it?

When did Qin Xianzhong become so talkative?

It's almost like a person has changed.

"I don't talk nonsense, they all looked at it, it's this trash that beats me like this."

Zhao Xiulan said dissatisfied, but she was also dissatisfied with Qin Xianzhong's reaction.

When did his son become so afraid of things, and where did his former domineering go?

"Yes, yes, we can testify that it was indeed Lin Fan who beat Auntie like this."

Zhu Ru said quickly, with a gloating smile on her face.

But Qin Xianzhong said to Zhao Xiulan with an ugly expression as if he hadn't heard of it:

"Okay, don't say anything, I will take you away now!"

"I do not go!"

When Zhao Xiulan heard this, she immediately exploded her hair and said viciously:

"What's the matter with you, you dare not fart if your mother was beaten. You still don't have my mother in your eyes?"

"I order you to crippled this bastard immediately!"

Zhao Xiulan only felt embarrassed, and she turned up with her anger. just!

In the next scene, everyone present was completely frightened!

Everyone was completely dumbfounded, and they all looked at Qin Xianzhong with extreme panic.

Zhao Xiulan ordered Qin Xianzhong to abolish Lin Fan, but Qin Xianzhong instead beat her own mother?

Not just them!

Even the Baiyi family couldn't believe their eyes.

They can clearly feel that Qin Xianzhong today seems to be much lower-key than before, and avoids conflicts with them intentionally or unintentionally.

What seems to be afraid of!

Right now, Bai Yi looked at Lin Fan with suspicion, only thinking that all of this seemed to be related to Lin Fan.

Zhao Xiulan was dumbfounded, and she couldn't recover her face for a long time, looking at Qin Xianzhong in astonishment.

"You...you dare to hit me?"

Qin Xianzhong was going crazy, his eyes were splitting and said:

"Do you think I'm not miserable enough? Do you have to force me to death?"

He was scammed by Zhu Ru's family, and there is no hope of promotion in this life, and now his old mother dares to find Lin Fan's fault, so that he is really finished!

Once Lin Fan was angered, let alone a high promotion, whether he could continue to stay in Longya became a problem.

"You...what's wrong with you?"

Zhao Xiulan asked in astonishment. At this time, he also noticed something wrong with Qin Xianzhong.

Qin Xianzhong's face was pale, and he said with great shame:

"I was disqualified!"

boom!

Everyone was completely shocked, all of them couldn't believe their ears.

Disqualification?

Doesn't that mean that Samsung's fighters have completely lost their lives?

Qin Xianzhong has always shown outstanding performance in Longya, and he has been re-used. Why is he suddenly disqualified from the competition?

Zhao Xiulan was immediately stunned, and said in horror:

"This is impossible. You are so good. Why does Longya disqualify you from the competition?"

What is it because of?

Hearing this, Qin Xianzhong glanced at Lin Fan with a complicated expression, and then said with great shame:

"Because...because my physique is too bad!"
