

Chapter: 1500

At this moment, there was a commotion in the other passage, and then I saw Lin Chentao walking in with a group of members of the Owl Legion.

“Old Xu, this time I have to accept it again!”

As a result, as soon as Lin Chentao appeared, the words were full of sarcasm and humiliation, as if they had already won the legionary battle.

This attitude made De Kou Jianghuai and others gloomy.

As a leader, Xu Longxiang still has this tolerance, and said with a smile:

“How do you know that your Owl Legion will win?”

however!

Lin Chentao sneered, and said extremely arrogantly and rudely:

“Do you still need to say? Which year is not our Owl regiment won the championship, your dragon teeth are only rationed to us at the bottom!”

boom!

Longya completely exploded the pot!

Kou Jianghuai and the others immediately drew their swords, murderously, and stepped forward together, in a posture of doing something if they didn't agree with each other.

The people around were also shocked. They all knew that the Owl Legion and Longya had been grudges for a long time, and they were afraid that they would have to kill them for a while.

However, after the Owl Legion was unwilling to be reconciled, a group of generals stepped forward, but with a sneer on their faces, they looked condescendingly at the people of Longya.

“Don't worry, our Longya won't let you down this time!”

Xu Longxiang smiled lightly, but he didn't want to continue to struggle with him.

“It's best!”

But Lin Chentao clung to Xu Longxiang's ear with an inch, and said grimly:

“Because this time if you lose, I will torture the Lin Fan family to death in front of you!”

just!

This time, it was Xu Longxiang's turn to laugh:

“If you can do it, you can try it!”

Will the Lin Zuo family be tortured to death?

Even if your Lin family dare not say this, what is your Lin Chentao?

Kou Jianghuai and Dragon Kwai also laughed loudly as if they had heard Tianda's joke, with a deep contempt on their faces.

Then a group of people followed Xu Longxiang's footsteps and left.

At this moment, Lin Chentao's face suddenly sank, and the attitude of the other party made him feel very uncomfortable, as if he was laughing at him.

Does this group of bastards think that they can't solve Lin Fan?

joke!

As for the waste, if it hadn't been for Lin Zuo and Xu Longxiang's intervention, he would have been dead at the release meeting that day.

“Boss, this old thing looks down on you!”

A dark brawny cursed in a low voice, his name was Wang Xiangfeng, and he was the most promising general in the Owl Legion other than Lin Chentao.

This is also the trump card for the Owl Legion to participate in the Legion War!

Lin Chentao gave a cold snort and said viciously:

“Then you will be on stage soon, and you will maimed all the waste of Longya. If something happens, I will take care of it!”

“I want that old guy to know what will happen to Lin Chentao when I look down on me!”

Hahaha!

Wang Xiangfeng and the others suddenly grinned, and then nodded one after another.

“Boss, don't worry! For a while, I won't be merciful!”

Wang Xiangfeng roared, jumped onto the ring first, and then said with an arrogant expression:

“Longya's garbage, roll up and die!”

Arrogant!

The expressions of everyone in Longya changed drastically.

And everyone present was in an uproar!

Naturally, I knew that the man in front of him was very unusual. It is said that Wang Xiangfeng was a champion boxer in the black market boxing field before joining the Owl Legion.

There were no defeats in 320 games!

Among them, two hundred and thirty games, a direct shot!

Because of him, Xiao Xiao was able to win the laurels of the Legion War for several years, so it goes without saying how terrifying this man is.

At this time, Kou Jianghuai was on the ring, his face was gloomy and said:

“I'll ask for advice!”

just!

When Wang Xiangfeng saw Kou Jianghuai, he smiled contemptuously:

“Oh, who did I think it was? It turned out to be the defeated man!”

once!

Kou Jianghuai lost to Wang Xiangfeng, and it was still a fiasco!

In just ten rounds, he was knocked out by Wang Xiangfeng, because Wang Xiangfeng didn't put him in his eyes at all.

But Kou Jianghuai, who has been specially trained by Lin Fan, is no longer who he was at the beginning. At this time, he smiled and said:

“Ten rounds, if I can't win you, count me as losing!”
