

Chapter: 1503

Lin Fan's face suddenly sank, and he said angrily:

"Get out of the way! I want to go to the toilet!"

To the restroom?

Zhu Ru's family laughed extremely ironically.

And Zhang Kaiming also took a step forward, grinning and said:

"Lin Fan, stop acting! I think you saw the master invited a master, so you want to be scared?"

At this time, how could they allow Lin Fan to escape?

They also waited after the game was over and watched Lin Fan be killed by Lin Chentao.

"Go away!"

Lin Fan exuded an astonishing murderous aura, and at this time he was extremely angry.

If you don't notify Xu Longxiang as soon as possible, then Kou Jianghuai and the others will really be sent to death in vain, he now has no time to entangle these idiots.

"Oh, what a bad temper, I'm so scared, but I just won't let it, what can you do to me?"

Zhang Kaiming said triumphantly, how dare a trash threaten him?

It's so ridiculous!

"Master, this trash wants to run away!"

Zhu Ru hurriedly shouted to Lin Chentao, and at the same time smiled gleefully.

run?

Lin Chentao turned around quickly, a smirk suddenly appeared at the corner of his mouth:

"I want to run now, is it too late?"

I thought there were many kinds of waste, but it turned out to be just a soft egg.

"You guys keep an eye on him, don't let him run away."

Lin Chentao said maliciously:

"After the game is over, I will torture them well."

Lin Fan's eyes throbbed with anger. If he didn't want to expose his identity in front of Bai Yi at this time, how could these people stop him?

Helpless!

He could only take out his mobile phone and edit a piece of information for Xu Longxiang.

After Xu Longxiang read the information, he was extremely angry, and could no longer maintain the calmness and calmness he had before.

An old face was full of anger!

Shameless!

Lin Chentao, too shameless!

This is simply cheating!

"Kou Jianghuai, come back! You can't deal with him, we have surrendered in this round!"

Xu Longxiang hurriedly shouted to Kou Jianghuai, he had already seen that Lin Chentao wanted to take this opportunity to kill.

Kou Jianghuai is the best soldier under his hand, so naturally it is impossible for him to watch Kou Jianghuai be sent to death.

just!

A wry smile appeared on Kou Jianghuai's face:

"Father, I have known who he is since he came on stage, but at this time I can't retire, I can't lose the face of the instructor!"

He is a soldier under Lin Zuo, how could he escape without fighting?

It doesn't matter if he is embarrassed when it spreads out in the future, but how can the dignified Linzuo follow him ashamed?

"you..."

Xu Longxiang is also angry, this kid has always been bull-tempered, and now he is sick again.

On the ring, the man in black also laughed strangely when he heard this, staring at Kou Jianghuai with sullen eyes:

"Boy, you know who I am and still don't escape. I really admire your stupidity."

Kou Jianghuai also laughed, but he looked indifferent:

"You're done talking nonsense, let's start when you finish talking!"

Ok?

As soon as the other party heard this, his heart suddenly ignited with anger, and said extremely cruelly:

"Well, since you are looking for death, then I will fulfill you!"

Talking!

He was the first to take the lead, and his figure suddenly jumped up, like an eagle spreading its wings, bringing a domineering wind, and rushing towards Kou Jiang!

boom!

Feeling this unusual breath, all the masters present changed their expressions wildly.

"This is... Grand Master!"

what!

The audience was completely shocked!

Grand Master?

Lin Chentao actually invited a great master to help out?

And upon hearing this, the entire dragon teeth were completely blown up, and they cast hateful glances at Lin Chentao.

Wouldn't it be easy to kill a grandmaster with a grandmaster?

And as far as they know, there is no great master among the warlords of the Owl Legion, and Lin Chentao is cheating!

And as expected, at the moment that great master made a move, Kou Jianghuai was blown out by a palm, vomiting blood on the spot!

Fiasco!

Upon seeing this, Lin Chentao suddenly laughed wildly, his face full of pride and arrogance:

"Sorry, our Owl Legion won! Your dragon teeth are only worthy of our feet, hahaha!"
