

Chapter: 1509

boom!

The moment when he heard this, the atmosphere of the audience suddenly dropped to freezing point, and everyone was stunned at this moment.

This guy really intends to kill Lin Chentao?

crazy!

This is crazy!

This guy, does he know what he is talking about?

At this moment, everyone seemed to have seen a ghost alive, and their faces were as pale as paper, and they were extremely shocked!

“He... what is he talking about?”

“Kill Lin Chentao? Oh my God! Does he know what he is doing?”

Even Longya dare not do it. Why is he?”

“This guy is looking for death! If Lin Chentao loses a hair today, it is possible for the Lin family to flatten the dragon’s teeth!”

Everyone was shocked and completely dumbfounded!

They felt that Lin Fan must be playing mystery, he couldn’t have such courage, it must be fake!

just!

Without waiting for them to think about it, Xu Longxiang already roared:

“Everyone, get out of me!!!”

Because of what Lin Chentao did today, Xu Longxiang had long been murderous.

But he didn’t dare to touch Lin Chentao alone, but adding Lin Fan’s words would make the result different.

This scene made everyone in the venue completely petrified!

If it were Lin Fan alone, they would not take it seriously, but even Xu Longxiang would have spoken...

This!

Is Xu Longxiang crazy too?

I really plan to pierce the sky and die with Lin Chentao!

at this time!

Even Lin Chentao couldn’t help but stunned, his face was full of anxiety!

“Are you all deaf? Or do you want to bury Lin Chentao?”

All members of Longya roared in unison, and then began to drive everyone away.

Everyone dared not take a breath, and left towards the door one after another.

Crazy crazy!

Longya is absolutely crazy!

Today’s matter will surely stir the entire Huaxia tomorrow. Maybe Xu Longxiang wants Auchan’s military court, which is too irrational.

This is simply looking for death!

“Bai Yi, let’s go now!”

Shen Yumei and his wife hurriedly urged that they thought that their family was so lucky and thought they were dead, but Xu Longxiang actually wanted to clean up Lin Chentao.

At this time, they all prayed in their hearts that Lin Chentao had better die quickly, so that no one would embarrass them anymore.

And this time!

Bai Yi hesitated and said uneasily:

“But Lin Fan hasn’t come back yet!”

“Huh? Then you don’t want to call him soon, it’s not suitable to stay here for a long time.”

Bai Yi smiled bitterly and shook his head:

“I have called him several times, and he hasn’t answered him.”

Simultaneously!

Bai Yi was looking at Master Lin on the ring with a complex expression, and the doubt in his heart became more intense.

All signs seemed to indicate that the man in front of him was Lin Fan.

But at this time, Solanum chinensis walked up and said with a smile:

“Miss Bai Yi, Mr. Lin is already waiting for you at the door first. You can see him as soon as you go out.”

Solanum also knew that Lin Fan didn’t want Bai Yi to know his identity, and that he was about to kill someone in a while, and he didn’t want Bai Yi to see it either.

So at this time, we must find an excuse to support Bai Yi.

what!

Bai Yi’s expression changed drastically, Lin Fan has already left? Is it really because I think too much? The man in front of me is not Lin Fan?

“Bai Yi, since Lin Fan is already waiting for us outside, what are you doing stupidly? Don’t hurry up?”

Shen Yuzhi urged.

Bai Yi glanced at Lin Fan unwillingly, then sighed and left outside the door.

“Mad, this Bai Yi family is really lucky! This way they can escape!”

Seeing this, Zhu Ru’s expression of resentment suddenly appeared, and it seemed regretful that Bai Yi and the others were not killed by Lin Chentao.

“What are you going to panic? I don’t die now, and I have to finish it in the future! The Lin Family will definitely not let them go!”

Zhu Zhide snorted coldly, and then urged:

“Let’s go first, let’s talk about it later!”

just!

Their conversation fell into Lin Fan’s ears.

The corner of Lin Fan’s mouth suddenly evoked a gloomy smile, and then pointed at Zhu Ru’s family:

“Others can go, but they can’t go!”
