

Chapter: 1511

At this time, even Shen Yuzhi, who had always been gentle and kind, was completely crazy, grabbing Zhu Ru slap and then slap her in the face, as if she wanted to break her body into pieces.

However, the most frightened person at this time was Lin Chentao!

His eyes widened and he looked like he had seen a ghost!

Can't believe what I saw!

Lin Fan, turned out to be a great master?

A great master in his early twenties?

how can that be!

Great masters are all untapped existences around the world, and even their Lin family have to treat them with respect.

And the Great Master, who was only twenty years old, was unheard of and shocked the world.

If this is spread, I am afraid it will be a sensation in the world!

If the Lin family knew that Lin Fan was Master Lin, even if they were shy, they would beg him to return, he would be the head of the family!

Among the younger generation of the Lin family, no one can compare with them.

At this moment, Lin Chentao only felt that his self-esteem had been crushed to pieces. He never thought that one day, he would lose to this Lin family's waste and discarded young man.

and!

He relied on the Lin family's heritage to finally reach his current position, but what about Lin Fan?

He was swept out, like a bereaved dog, but it took him just ten years to become a great master?

How could there be such a person?

He just felt like he was dreaming!

However, at this time, he finally felt fear, because he knew that Lin Fan really planned to kill him.

After all, he killed Lin Fan's biological mother back then!

"Run! Run away!"

Lin Chentao was already in chaos. He originally thought that Lin Fan was his pallet fish, but now it seems that he is the turtle in Lin Fan's urn.

just!

"Boss, don't be afraid! Lin Zuo will also participate in today's legion battle today, I don't believe he dare to kill people openly in front of Lin Zuo!"

At this time, a warlord of the Owl Legion coldly snorted, with a thick disdain on his face.

Lin Zuo?

Hearing these words, all the warlords of the Owl Legion who were originally frightened at the scene also came back to their senses one after another.

Yes, they still have Lin Zuo!

Lin Zuo is their life-saving straw!

Today, they had asked Long Jiu to make arrangements for Lin Zuo for them, and planned to meet with Lin Zuo today.

Lin Zuo would never watch them die tragically without being indifferent.

But this sentence, on the contrary, reminded Lin Chentao.

Yup!

Lin Zuo is here, although they don't have any intersection, but he is a member of the military after all, and he is also a man of great feats. I believe Lin Zuo will not die.

Now!

The fear in his heart was forcibly suppressed!

A sneerful smile appeared on his face, and said:

"Master Lin, you are so courageous! You dare to kill people in front of Lin Zuo in a legion battle, don't you put Lin Zuo in your eyes?"

And this time!

Zhu Ru's family was also startled first, and then all laughed together.

"Yes, there is a forest seat! He is one of China's four major army seats, and his strength is unpredictable. If he shoots Lin Fan, he will undoubtedly die!"

Zhu Ru even shouted directly:

"Lin Fan, did you think about it? Today, Young Master Lin, but I have an appointment with Lin Zuo for a meeting. You ruined this meeting, Lin Zuo will never let you go!"

"You, wait to die!"

It seemed that Lin Fan at this time was already a dead person in her eyes!

And Lin Chentao looked at Lin Fan aloof, with a sneer at the corner of his mouth:

"Lin Fan, now you kneel down and apologize to me, I might be able to plead with Lin Zuo and let him let you go!"

just!

However, Lin Fan turned a deaf ear to their words, pressing on step by step, with murderous intent in his eyes:

"How can you be sure that Lin Zuo will help you?"

what!

Lin Chentao's face turned pale. He didn't think that Lin Fan was so crazy, he would rather kill him at the risk of confronting the forest seat?

Is this going to die with him?

Right now, he seemed to be irritated, and he screamed:

"Lin Zuo, come and save me! If you can save my life, I will dominate the Lin family in the future, and I will definitely take your lead!"

In order to survive, he even did not hesitate to be a slave!

He can't die!

He still has a good future. In the future, he will become the lord of the Lin family, and he will not be able to fall down at this time!

However, his words made Xu Longxiang laugh:

"Lin Chentao, isn't that Lin Zuo right in front of you?"
