

# Chapter: 1519

“Lin Fan, don’t make trouble!”

Bai Yi glared at Lin Fan angrily, and finally reached a cooperation, she didn’t want to cause any more troubles.

But Mayweather changed his face instantly, saying:

“Nothing is going on, Mr. Lin said it is very reasonable, I have to pay some compensation, otherwise my boss will not let me go!”

Lin Fan has spoken, and he is destined to have heavy bleeding today.

“Mr. Mayweather, can you tell me who your boss is?”

Bai Yi asked suspiciously, she really wanted to know what kind of existence it was that could scare an existence like Mayweather completely.

“This...”

Mayweather looked at Lin Fan hesitantly.

But seeing Lin Fan’s gaze at this time, he couldn’t help but get colder.

Mayweather shuddered immediately, and said quickly:

“I’m sorry, Miss Bai Yi, my boss is quite special, so I can’t tell you.”

“But please believe in our sincerity. We will never hurt you. If you have anything to ask, we will do our best to satisfy you.”

“I just hope that Miss Baiyi can forgive me!”

There was a deep pleading on Mayweather’s face, because he knew very well that his life was in Bai Yi’s hands now, whether it was life or death, it all depended on Bai Yi’s words.

Bai Yi glanced at him anxiously:

“I... I forgive you!”

Bai Yi at this time also felt extremely bizarre and incredible.

Mayweather was scared of her?

Does this really make Lin Fan right?

However, I am a small company that has been established for less than a year. What is there to be afraid of?

Why is Mayweather so afraid of her?

And why did the people behind him treat her so seriously?

However, before Baido thought, Mayweather knocked her a few times excitedly:

“Thank you Miss Bai Yi, thank you!”

“I will immediately let someone arrange a brand new contract when I look back, and try to sign with Miss Bai Yi as soon as possible!”

After that, he turned around and ran away as if afraid of Bai Yi’s repentance.

“Lin Fan, tell me, this is not a dream!”

Bai Yi said in a daze, she solved the problem of exporting medicines without spending a penny?

It’s incredible!

Lin Fan smiled helplessly and said:

“Don’t worry, this is not a dream, you really did it.”

Bai Yi’s face couldn’t hide her joy, and she said with great joy:

“Our drugs can finally be sold overseas, and that way, more lives can be saved.”

Seeing Bai Yi happy, Lin Fan was naturally happy too.

And just now!

Lin Fan received a call from the Baishan couple and asked them to eat out together.

“Then let’s go quickly, just to tell parents this good news!”

.....

Not long after, Lin Fan and Bai Yi appeared at the agreed place.

just!

Still waiting for them to enter the restaurant, a harsh sarcasm followed.

“Isn’t this Bai Yi?”

Bai Yi turned around suspiciously. After seeing the other party’s face clearly, the whole face was completely gloomy.

Then, gritted his teeth and uttered three words:

“Li Xijun!”

Lin Fan was stunned. It was the first time that he saw Bai Yi so angry, his eyes were full of hatred and anger, as if he wanted to smash the other’s body into pieces.

Lin Fan frowned, then looked at the woman with heavy make-up, dressed like a call girl.

What did this woman do to Bai Yi, so that Bai Yi, who has always been kind-hearted, can inspire such a strong hatred.

“Bai Yi, why do you look at me like this? We are good girlfriends, aren’t we?”

Li Xijun said with a smile, but his face was full of irony.

“I don’t have a girlfriend like you!”

Hearing this sarcasm, Bai Yi seemed mad, and screamed at Li Xijun in grief:

“Beast! You are not as good as a pig and a dog!”
