what!

As soon as this remark came out, Li Xijun, Du Yue and others changed their expressions.

Now!

Du Yue's face immediately became gloomy, and he said furiously:

“What do you mean?”

Lin Fan smiled and said:

“Didn't you say thirteen million? Bring it! You just insulted my wife and beat my old man. Shouldn't you give this money?”

boom!

The atmosphere of the audience burst completely!

Everyone looked at Lin Fan with a look of seeing a ghost.

Is this guy crazy?

If you don't give money, even if you don't give money, you dare to take the initiative to ask for money?

This is the old birthday star drinking arsenic-living impatiently!

However, they don't know how terrible Lin Fan is!

Who is he?

The dark emperor, the only ruler of the dark world, which of all the world's heroic figures must not fall at his feet?

But now, a group of ants dare to break ground on Tai Sui's head, not to mention ten million, even if it kills all of them, it is just a flick of a finger.

Li Xijun and the others didn't even know what kind of existence they had offended. The background and terrible background of the man in front of him was beyond the imagination of a mortal like them in his entire life.

At this time, they only felt that Lin Fan was looking for death!

Right now, Du Yue's face was completely gloomy, and his eyes were full of resentment:

“Are you kidding me?”

Playing him like a monkey in his place?

Although his Du Yue's prestige on the road is not as good as the male master, it is not that the poor ghost in front of him can be offended.

“Boy, I assure you, today you don't want to leave here safely!”

“And because of what you just did, you will live under my harassment for the rest of your life, and you will be restless!”

Du Yue was extremely vicious, his vicious appearance was like a poisonous snake.

“Haha, dare to be wild in the land of the male master, Lin Fan, right? I respect you as a good guy!”

Li Xijun giggled, as if he could already predict Lin Fan's end.

“Don't worry, I will call an ambulance for you after they beat you up for a while.”

Both Li Xijun and Du Yue are proud, as if Lin Fan is now their pallet fish, and they can let them slaughter them.

just!

Lin Fan still looked like a troublemaker, shrugged and said:

“It's very cheap to buy your life for ten million, so if you are not willing to give it, then I have no idea!”

what!

Everyone was taken aback, and then all sneered!

Does this guy know what he's talking about?

Obviously it's a dead end, but at this time you still dare to pretend to be forced?

Even let Du Yue and others spend money to buy their lives?

That's ridiculous!

“Do it! Knock off one of his legs first!”

Du Yue yelled violently, already too lazy to talk nonsense with Lin Fan.

He asked Lin Fan to kneel down, begging him for mercy like a dog!

“Spend money to buy life? It depends on whose life you spend money to buy!”

Li Xijun sneered, then took two steps back and waited quietly to see that Lin Fan was unlucky.

The little brothers who followed Du Yue walked towards Lin Fan with instruments one by one.

But right now!

Sudden change!

“Master Xiong is here!”

Outside, there was a cry from a little brother!

Sir Xiong?

When everyone heard the name, they immediately looked out the door in fear.

I saw a middle-aged man with a height of 1.6 meters, bare chest and a blue dragon tattooed on his chest, walking towards him.

Wearing a suit and leather shoes, but the vulgar temperament still can't be concealed, on the contrary, it seems a bit like a monkey, and it looks particularly funny.

This person is Lord Xiong, his full name is Zhou Chuxiong!

At this time, he was in cold sweat, and he kept wiping the sweat from his forehead with his handkerchief, his face was as white as paper, as if he was a ghost.

He had already fallen asleep, but a sudden call directly broke his dream!

He had to get up from the warm embrace of the young and beautiful mistress and came here against the cold wind.

problem occurs!
