

# Chapter: 1583

“Explain what you’re here for, I’m very busy!”

Lin Fan said blankly.

“Come to Longya tomorrow. If you don’t come, I’ll let someone kill your whole family!”

Mei Yingxue gritted her teeth:

“You know, with the power of my Mei family, we can do what we say!”

Lin Fan’s eyes shrank fiercely, and the killing intent in his eyes was surging like a stormy sea, but his tone was still calm and unreasonable:

“Okay, tomorrow morning, I will be there on time!”

Toot toot...

The phone is directly hung up!

At this time, the two people who are talking have a killer heart towards each other!

Mei Yingxue, the eldest lady of the Lin family, is also the eldest daughter of the Mei family. Although the influence of the Mei family in China is not as good as the Lin family, it is not much different. ‘

What’s more special is that the Mei family is still a hidden Sejong gate!

During this period of time, Mei Yingxue had been dealing with the affairs of Mei’s family, but suddenly learned that her son had been killed, and immediately killed him directly to Jiangnan.

Its purpose is also very clear, that is, to pay Lin Fan’s blood!

“Who?”

Bai Yi rubbed his sleepy eyes and looked at Lin Fan suspiciously.

“Nothing, I made the wrong call!”

Lin Fan said with a smile, then put the quilt on Bai Yi and lay down again.

An ant is not enough to affect his sleep!

.....

And on the next morning, Lin Fan came to Longya as promised, and he was still alone.

After arriving at Longya, he was stunned!

Within that dragon tooth, a large group of people fell to the ground, groaning in pain, all of them were members of the dragon tooth.

Among them, three-star warriors such as Kou Jianghuai and Solanum are included!

even!

Even Xu Longxiang was pressed on the chair one by one, his face was extremely gloomy.

It’s not that Longya is too weak!

It’s a master from Mei’s family, too strong!

With just a dozen people, they lifted the entire dragon’s teeth to the sky, crippling hundreds of elites. The other dragon’s teeth were reprimanded by Xu Longxiang and were not allowed to shoot. At this time, they dared to be angry and didn’t dare to speak!

Among them, a woman with Erlang’s legs tilted, holding a lady’s cigarette in her hand, smoking casually.

Seeing Lin Fan, her eyes lit up and a flame of hatred ignited, and she asked word by word:

“You are Lin Fan?”

Ho ho!

Lin Fan smiled and said:

“I am! In order to deal with me, you really took great pains! Is this going to give me a good start?”

“you?”

Mei Yingxue smiled contemptuously and snorted coldly:

“You still don’t have the qualifications! Let Master Lin get out!”

She didn’t put Lin Fan in her eyes at all. In her eyes, Lin Fan was just a rubbish abandoned by the Lin family. What could kill his son?

The one who killed his son must be the Master Lin!

Ok?

Lin Fan was taken aback, then smiled and looked at Xu Longxiang:

“You still don’t tell her?”

After seeing Lin Fan coming, Xu Longxiang also showed a smirking smile:

“I think it’s more appropriate for you to tell her in person for this kind of thing!”

what!

Mei Yingxue’s expression changed suddenly, what are these two guys playing dumb?

“Shut up to me, where’s Master Lin? Isn’t he afraid to show up because he is afraid?”

Mei Yingxue sneered:

“If this is the case, then unfortunately, you have to pay for his life!”

“Xiao Bai, kill him for me! Take revenge for the young master!”

Mei Yingxue roared immediately, and then, with a bandage wrapped around her mouth, the sharp-eyed woman in leather pants with a fiery figure walked towards Lin Fan step by step.

“Don’t worry, isn’t Master Lin already here?”

Lin Fan said with a smile on his face, but walked towards that Xiaobai step by step.

Ok?

At this moment, Mei Yingxue frowned suddenly, she didn’t even know what Lin Fan meant.

Just, the next scene!

It completely shocked her!
