

Chapter: 1592

Bai Yi only felt disgusting, and didn't mean to shake hands with him at all, but said politely:

"Sorry Mr. Song, I don't think we need to know each other."

After speaking, he walked towards the restaurant.

what!

Song Donglin's expression changed. How could he miss such a beautiful girl so easily?

Then, he brazenly stopped in front of Bai Yi, and said with a smile on his face:

"Beauty, multiple friends and multiple paths, what's wrong? Believe me, I am absolutely qualified to be your friend!"

With that said, he deliberately raised his hand, revealing the Rolex watch full of diamonds on his wrist.

This move made Bai Yi even more disdainful.

What the hell is this idiot doing?

Think you can be friends with yourself if you have some bad money?

This is too shameless, right?

Right now, Bai Yi's face became unsightly, and he reprimanded with irritation:

"Sir, please get out of the way! Otherwise I will sue you for harassment!"

just!

Song Donglin smiled contemptuously, and said with a sneer:

"You tell me, tell me whatever you want! I, Song Donglin, is in the south of the Yangtze River, and I have never been afraid of anyone. If you don't believe me, ask me about it. Who can't give me three points in black and white?"

"you!"

Bai Yi's expression changed. Seeing that the softness is not good, she came to be hard, and angrily rebuked:

"I tell you, I have a husband, he is not easy to mess with, you still have time to leave now."

Unexpectedly, Song Donglin was even more disdainful:

"Your husband? It doesn't matter if your father comes! Believe it or not, even if I meet you in front of him, he won't even dare to let go. I buried him alive in minutes!"

"Beauty, don't follow him, follow me, I will give you 100,000 yuan a month to support you, how about it!"

Bai Yi understood immediately that the man in front of him was a rascal, a scumbag!

It doesn't make sense to reason with him.

"Neurotic!"

She cursed in a low voice, and then walked around Song Donglin in disgust.

This move completely angered Song Donglin.

Thinking about him Song Donglin has been in the mall for so many years, who hasn't anyone seen him?

There has never been a person who dares to treat him so contemptuously.

Right now, he was furious, and said with a lewd smile:

"Since you don't want to be friends with me, then charge some interest!"

With that, he stretched out his hands directly and maliciously grabbed Bai Yi's chest.

Fortunately, Bai Yi became vigilant when he heard that his tone was wrong, and hurriedly covered his chest with his hands, which blocked the disgusting salty pig's hand.

Then he slapped the opponent fiercely with his backhand, and scolded:

"Are you crazy? I'm going to call the police!"

Everything that happened here attracted the attention of everyone in the mall, and everyone suddenly looked over in confusion.

And this moment!

Song Donglin was slapped, and suddenly became angry, and roared:

"Bitch, how dare you hit me? Do you know who I am?"

Lin Fan's eyes were about to burst into flames, and said angrily:

"I don't know, and I don't want to know! I just hope you don't harass me, otherwise I will really call the police."

I was in a good mood today, but it was ruined by this shameless and shameless bastard.

"I didn't say you can go!"

Song Donglin was cheeky and continued to stand in front of Bai Yi:

"Today, either you give me the WeChat ID or you follow me to the police station. Song Donglin can't be beaten in vain!"

Everyone saw that Song Donglin and Bai Yi were pulling and pulling there.

But at this time, a bucket-waisted shrew rushed out of the crowd directly, and she stepped forward and slapped Song Donglin:

"Song Donglin, you kill a thousand knives, my old lady has only been in the toilet for a while and you will hook up with the little girl. Do you think I am dead?"

Seeing this shrew, Song Donglin was horrified and said with a frightened expression:

"Wife, it's not like that, it's...yes...ah right, this bitch seduce me!"

"He thinks I have money and wants to talk to me. It's shameless to accost me and blame me for insulting her!"
