

Chapter: 1595

Needless to say!

It must be Song Donglin, who is unbelievable and unwilling to hook up with women, only to be beaten by others.

And he knew the temper of his woman, and she must have been sloppy and arrogant again, and it turned out to be a lesson.

Miao Qiaowei is called a hate, he is almost out of shame now, but these two dead stars are still looking for him everywhere.

“Dad, come over quickly, or Cuiyun will tell them to beat them to death.”

Song Donglin added fuel and jealousy.

“Send me the address!”

Miao Qiaowei said in a desperate manner. Although these two rice buckets are very irritating, they are his daughter Miao Qiaowei anyway.

If you dare to hit his daughter, you are hitting him in the face!

It's impossible to just forget about this account!

He wanted to see who had eaten the ambitious leopard's guts, not even his Miao Qiaowei.

After the call!

Song Donglin smiled grimly, and said kindly:

“Wife, don't worry, our dad will be here soon, this dog and man are over!”

Hear the words!

Miao Cuiyun also became arrogant, looking viciously at Lin Fan and Bai Yi:

“I now give you two a chance to kneel down and kowtow to the old lady, and then lick my leather shoes clean. Maybe I can consider letting you go!”

“Otherwise, I will let your family be ruined!”

Wow!

Everyone was in an uproar!

At this moment, they all realized that the fat woman in front of her had a big background.

Her father turned out to be the No. 1 provincial boss, is this still worth it?

“Little brother, you'd better kneel down and apologize. You can't win if the people don't fight with the officials.”

“I'm just saving the number one. If you kill an ordinary person like you, it's as easy as squeezing an ant.”

“Yeah, it was your wife who seduce someone else's husband first, and you beat the other person's wife, aren't you looking for death? Hurry up and apologize, there is no room for maneuver!”

Ok?

Lin Fan frowned, and then without a word, slapped directly on the face of the old woman who said his wife seduce a man.

“You, how do you hit someone?”

The old woman was immediately stunned, looking at Lin Fan in anger and fear.

“Hit you? Dare to talk nonsense! I killed you!”

Lin Fan's eyes widened in anger, with a strong killing intent in it:

“Have you seen my wife seduce him?”

“I...”

The old woman suddenly became weak, but said unconvinced:

“I heard what they said, your wife must be so ugly!”

boom!

This time, Lin Fan kicked out angrily and kicked the old woman out fiercely!

overbearing!

And cold-blooded!

This scene directly scared everyone present. This man is too ferocious.

This is the rhythm of killing!

The old woman suddenly vomited blood, apparently seriously injured.

“You, why don't you even let an old man go? You are too cruel!”

“Male thief and female prostitution, this is male thief and female prostitution! Neither of them is a good thing. The dog and the girl are really wrong!”

Lin Fan's move completely aroused public anger!

Everyone immediately hurled at Lin Fan and verbally abused him.

Seeing this, Bai Yi became even more helpless, crying and pulling Lin Fan:

“Husband, forget it, shall we go?”

She didn't want her husband to be insulted because of her.

“go?”

Lin Fan had a hideous face and said murderously:

“The matter has not been resolved, no one can leave!”

Then, his fierce gaze was looking around the crowd one by one, like an evil god patrolling the world, extremely cruel.

“I don't care what you idiots think, but if anyone dares to insult my wife again, they will end up!”

“You guys, don't you want to watch me kill people? Try it!”
