

Chapter: 1616

Ok?

His attitude caused Zhou Guodong's expression to change wildly, and he looked at Lin Fan with a strange expression.

Especially, he unexpectedly saw Lin Fan's face with a deep sarcasm and ridicule.

Is he making fun of himself?

Right now, Zhou Guodong's face became very ugly, he always felt that he was the smartest one.

I played with Lin Fan, playing with the police, the law, and everything.

But Lin Fan actually made fun of him?

“what are you laughing at?”

Zhou Guodong questioned angrily, it should be Lin Fan who became angry at this time.

But this guy actually looked down on him?

Lin Fan stopped laughing and spit out the name of a place surprisingly:

“America!”

boom!

Zhou Guodong immediately exploded, looking at Lin Fan in horror, because the place Lin Fan said was exactly where his wife and children were!

“What are you talking about? Why can't I understand?”

In the next instant, Zhou Guodong pretended to be calm and pretended to be stupid, but his expression had become very unnatural.

In his opinion, Lin Fan must be the blind cat and the dead mouse. It is impossible for him to know where he placed his wife and children.

but!

Lin Fan's next sentence made him completely desperate.

“Don't admit it? Then, New Jersey, you should know it?”

Puff!

Zhou Guodong sat down on the ground directly, looking at Lin Fan in horror:

“This is impossible! This is impossible! How would you know?”

The other party not only said the country where his wife and children are, but also the city where they are directly!

damn it!

What exactly is going on!

This matter, obviously only he knows it!

But Lin Fan laughed ironically:

“You underestimated my Lin Fan's ability too much!”

Talking!

Lin Fan also took out a photo, and then threw it on the table.

Zhou Guodong just glanced at it, and he was about to explode.

Wasn't the person in front of him the same as his son and wife?

And the scene shot is where they live now!

The last bit of luck in Zhou Guodong's heart was completely shattered at this moment, and the guy in front of him knew everything.

He is not bluffing himself!

Before Lin Fan came here, he had already understood everything clearly, and the only thing he didn't know was the man behind the scenes.

For him, it is not too simple to investigate a person!

Seeing this, Zhou Guodong seemed to have lost his soul, completely desperate.

“what the hell do you want?”

Zhou Guodong no longer had the arrogance and self-confidence he had just now, and asked extremely decadently.

Lin Fan took out the photos of his wife and children, not just to tell him that Lin Fan knew where they were.

More than that, threats!

Threatening Zhou Guodong, Lin Fan will also hurt his wife!

Zhou Guodong has deeply realized that this qualified man in front of him is not easy to provoke.

Lin Fan smiled slightly and said:

“Tell me, who is instigating you behind the scenes!”

just!

Hearing this, Zhou Guodong said with a sad expression:

“I really can't say, if I do, my wife and children will die!”

His wife and children were able to successfully complete the formalities and go abroad in just one day, all because of someone's help.

So that person also knows the whereabouts of his wife and children. If he knew that he had betrayed him, he would definitely not let go of his wife and children.

Zhou Guodong hadn't even considered that Lin Fan would have such an ability to accurately find the whereabouts of his wife and children!

It was this act that completely pushed him to a dead end!

“is it?”

Lin Fan asked with a smile, and then a frightening murderous intent suddenly appeared in his eyes:

“Then how do you know that I will not kill your wife and children?”
