

Chapter: 1617

boom!

Hearing this, Zhou Guodong felt his brain roar instantly and knelt before Lin Fan in horror.

“Sir, all mistakes are my fault, my wife and children are innocent, please let them go!”

Zhou Guodong was already in tears, kowtow frantically at Lin Fan, as if he was about to be scared.

just!

Boom!

Lin Fan directly grabbed a pen and pierced the back of Zhou Guodong’s hand severely.

Nail his whole hand directly on the table!

Suddenly, the blood is infused!

Ouch!

Zhou Guodong let out a scream like killing a pig, extremely stern!

At this time, Lin Fan showed a fierce look, murderously said:

“Your wife and children are innocent, then my wife and children, aren’t they innocent?”

“Do you know that my wife is still in the hospital now! Do you know that the child who is only a month old in her stomach is almost dead!”

Lin Fan no longer wanted to waste time, and said coldly:

“Tell me who instigated you, otherwise I will send your wife and children on the road!”

Everything has a price!

Why can his wife and children die, and Zhou Guodong’s wife and children can’t die?

“No, please, no!”

Zhou Guodong was already crying, and he kept kowtow at Lin Fan. At this time, he even regretted his intestines.

I regretted why I got involved in this mess, because of the bad money, now my wife and children are worried about their lives.

“I don’t need any money. I will give you all my money. You let my wife and children go?”

Zhou Guodong pleaded bitterly to Lin Fan, and now he only hopes that his family can be safe.

but!

Lin Fan shook his head unfeelingly, then took out his cell phone and dialed a number:

“Kill them, and request a live broadcast. I want him to watch his wife and children be tortured to death in front of him!”

At this time, Lin Fan had recovered the cold blood and cruelty of the King of Blood Prison, like a devil!

“Don’t kill my wife and children! I tell you, I will tell you everything!”

“It’s Jin Chengen, who made me do it! It’s all his fault!”

Zhou Guodong was finally afraid, and wailed and sold Jin Chengen.

The man in front of him is simply a devil!

He would really kill them all!

Kim Seung-eun?

Lin Fan frowned suddenly, seeming a little surprised.

He didn’t even think that it would be Jin Chengen who secretly wanted to harm Bai Yi!

wrong!

There is no reason for Jin Chengen to do this. If he is merely retaliating, then he will not entangle Bai Yi over and over again.

“Let my family go, please!”

Zhou Guodong’s head was about to break, and blood constantly seeped from the top of his head, wet his whole body.

Lin Fan glanced at him, then took out his mobile phone to call:

“Retreat!”

Now that he got the answer he wanted, he naturally wouldn’t embarrass Zhou Guodong anymore.

“Thank you, thank you!”

Zhou Guodong cried bitterly, and was about to collapse at this time.

Lin Fan looked at him coldly:

“If you weren’t for the child’s wife, if you weren’t dying, you are already dead now!”

Now Zhou Guodong has died soon!

Lin Fan didn’t want to deprive him of the last time!

At this time, Lin Fan left on his own.

And the moment he stepped out of the hotel, there was a surging killing intent in his eyes:

“Check! Check me out on Jin Chengen’s whereabouts! I want him to die!”

Soon, a message spread throughout Jiang City in an instant!

Everyone is looking for Jin Chengen’s whereabouts for Lin Fan!

However, Jin Chengen seemed to have disappeared out of thin air. He never showed up again. No one knew where he went, and even the hotel he stayed in did not have to check out.

But when Lin Fan was frantically looking for Jin Chengen, Bai Shan dialed Lin Fan’s number:

“Xiao Fan, come to the hospital!”

“Dad, I’m busy now, can you wait for me to finish this time?”

Lin Fan smiled bitterly.

just!

As soon as he finished speaking, he fell silent on the other end, and another man’s voice came right after him!

“it’s me!”

The simple words let Lin Fan know who the master of the voice is.

At the moment, a thick anger appeared in his eyes!

“Lin Zhanli!”
