

# Chapter: 1619

Ho ho!

Lin Fan sneered twice, shook his head and said:

“After doing it for a long time, it turns out that I fell in love with my pharmaceutical company!”

He knew that the old immortal was kind, and he really didn’t guess wrong.

Lin Fan’s attitude immediately made Lin Zhanli upset, and Lin Zhanli immediately snorted:

“Lin Fan, don’t be shameless, the old man is willing to let you go back to Lin’s house, that is your good fortune!”

“Now it’s just asking you to surrender a small company. You don’t want to do that. Is it possible that you really intend to fight the Lin family forever?”

Like Lin Hongtu, Lin Zhanli didn’t want Lin Fan to return to the Lin family. Both he and Lin Hongtu regarded Lin Fan as a shame.

If he hadn’t given birth to Lin Fan as a wicked species, he wouldn’t have become the laughing stock of the Lin family and would be disgusted by the Lin family.

So in his opinion, they are willing to show compassion to let Lin Fan return to the Lin family, that is a gift to Lin Fan.

Lin Fan should be grateful to them, and devote himself to the ground!

Let alone a company, even if Lin Fan was asked to hand over his wife, Lin Fan could not say nothing.

“What about death? Do you think I am not capable of this?”

Lin Fan asked mockingly, that the Lin family still regards him as a fish that can be slaughtered at will, which is really ridiculous!

“you!”

Lin Zhanli was trembling with anger, this little beast was so ignorant of what is good or bad, dare to refuse their gift from the Lin family?

It’s just looking for death!

Right now, his face was completely gloomy, and he said angrily:

“Little beast, do you think you can challenge the authority of the Lin family if you are a great master? You are too naive!”

“How strong the Lin family’s background is, it’s not something a short-sighted idiot like you can guess!”

“If you dare to reject the Lin Family’s gift, then you will be the Lin Family’s mortal enemy from now on, and the Lin Family will destroy you at all costs! At that time, I’m afraid you will cry without tears!”

Lin Zhanli turned his face completely, his eyes were full of contempt and ridicule. At this time, he still didn’t put Lin Fan in his eyes.

Grand Master?

It’s not that the Lin family has killed them!

If Lin Fan is still stubborn, then their Lin Family doesn’t mind being an executioner again.

But when Lin Zhanxi thought that Lin Fan would definitely accept his condition, he saw Lin Fan’s stern face and said unkindly:

“You are dismissed!”

what!

Lin Zhanli’s expression changed wildly. As the uncle of the Lin family, has he ever been humiliated in this way?

Moreover, he is Lin Fan’s biological father!

How dare he be so rude to him?

At the moment, Lin Zhanli was furious, and his eyes were filled with murderous intent instantly!

“I don’t know anything good or bad, since you are looking for death, then I will fulfill you!”

Lin Zhanyu growled with incomparable resentment, in his opinion Lin Fan was shameless!

At the moment, he took out a red skeleton bank card and grinned and said:

“Do you know what this is? This is the highest-level blood skull card of Global Bank!”

“With this card, we can mobilize the administrative power of Global Bank at will. You said that if we use Global Bank to conduct hostile takeover of your New Bais, what will happen?”

Lin Zhanli laughed strangely, with a confident look, as if he had already won.

What about Grand Master? Isn’t it just a taker?

When it comes to the business war, the Lin family really has no fear of anyone!

Since Lin Fan was shameless, he made Lin Fan regret it!

Aside!

When Bai Shan and Shen Yumei heard this, they became uneasy.

Global Bank?

That is the most famous bank in the world!

Can Lin Zhanli use their power to forcibly acquire the new Baishi?

If this were the case, how could the little New Bai family be able to withstand the invasion of such a behemoth?

just!

Lin Fan laughed loudly, and also took out his blood skull card:

“Are you talking about this card?”
