

Chapter: 1622

Lin Zhanli directly howled miserably, begging Lin Fan for mercy with extreme humiliation.

At this time, Lin Fan also gradually calmed down and couldn't kill Lin Zhanli. That would be too cheap for him.

He wants to look at Lin Zhanli, life is better than death!

Right now, he grinned and asked Lin Zhanli:

“Tell me, where is Jin Chengen?”

“You save me first!”

Lin Zhanyu bargained and roared.

But Lin Fan seemed to hear nothing, so he didn't say anything.

“Hengfeng Hotel!”

Lin Zhanli finally roared in grief and indignation. He knew that if he didn't say it, the Baishan couple might really kill him.

Lin Fan stopped the Baishan couple, and at the same time stared directly at Lin Zhanxi:

“Today's hatred, I will not forget, and I hope you will not forget, because one day, I will return all the benefits to you!”

At that time, he would let Lin Zhanyu taste despair and regret!

However, Lin Zhanli wiped the blood on the corner of his mouth contemptuously, and didn't even put Lin Fan's threat in his eyes.

“You rejected the Lin family, no one can reject the Lin family, Lin Fan, you are done!”

Lin Zhanyi sneered and looked at Lin Fan as if he was looking at a dead person:

“Now, do you want to kill Jin Chengen? I tell you, don't be foolish. I have already deployed manpower near the Hengfeng Hotel. You are only seeking your own death!”

Lin Fan smiled and said lightly:

“Really? Then we will wait and see!”

With that said, he just turned around and left, intending to find Jin Chengen!

And this time!

Jin Chengen is in Hengfeng Hotel, enjoying the warm service of two foreign girls in his room!

“Bai Yi, Bai Yi! You bitch! I'm playing with you to death!”

While he was exercising, he was short of breath and cursed.

My heart is full of hatred for Bai Yi!

I have imagined the woman below him as Bai Yi.

Lin Fan warned him that he had better leave China as soon as possible, but he didn't take it seriously at all. He now has Lin Zhanxi from the Lin family to support him, so he needs to be afraid of being a little Lin Fan?

Bai Yi hasn't gotten it yet. How can he be willing to leave China now?

boom!

just!

At this moment, his door was kicked open, and Lin Fan strode in with a bloody head.

Ahhhhh!

Seeing this, the two foreign girls in it all screamed as if they had seen a ghost!

Killed!

It actually killed someone!

And the moment Jin Chengen saw Lin Fan, his expression was completely frozen, and his legs trembled frantically!

“Lin...Lin Fan?”

This guy, how does he know he is here?

“Young Master Jin is really so elegant?”

Lin Fan sneered and threw the head in his hand at Jin Chengen's feet.

Ahhhhh!

Jin Chengen also let out a stern scream, kicked the man's head away in a hurry, and he was already paralyzed to the ground.

A puff of yellow soup instantly flowed from his crotch.

But Lin Fan walked over slowly like a troublesome person:

“Jin Chengen, did I warn you, why didn't you listen to me? You are so sure that I dare not kill you?”

fear!

disturbed!

Various emotions gathered in Jin Chengen's heart.

At this time, his intestines were regretful, because he knew that Lin Fan was here because he definitely wanted to chat with him.

This guy is here to kill him!

“Lin Fan, what do you want to do?”

Jin Chengen asked tremblingly, he was really about to pee at this moment, regretting why he was so conceited.

If I leave Huaxia now, wouldn't I have nothing to do?

Hear the words!

Lin Fan smiled and said:

“You poisoned my wife and prevented me from buying medicine to save my child. You have such a vicious heart, what do you think I want to do?”
