

Chapter: 1624

Solanum reports to Lin Fanhui.

Longya had already figured out everything, this time the opponent had hired three great masters and countless grandmasters in order to target Lin Fan!

But for some reason, I haven't done anything yet until now.

After Jin Chengen called Lin Zhan'ao, he also called his old husband for help:

“Dad, save me! Save me!”

At this time, Guo Tianlin was opening the board of directors, but he suddenly received a call from his son-in-law, and he said without hesitation:

“You trash, what's the matter?”

“Dad, you asked me to come to the psychiatrist Lin to cooperate, but instead of looking down on us, he humiliated us in every way. I was so angry that he was going to kill me now!”

Jin Chengen reversed right and wrong, because he knew that only in this way would Guo Donglin come forward to rescue him.

what!

Guo Tianlin on the other end suddenly became angry, and got up on the chair with a slap, with a deep hatred on his face:

“I, Guo Tianlin, put down my figure and went to find him to cooperate. He even dared not give me face and really regarded himself as an onion? I think he is looking for death!”

He said this!

All shareholders in the board of directors stood up, with angry expressions on their faces.

Their youths have been abroad for many years. In several countries, even foreigners have to look at their faces, but now they let a little Chinese doctor brush their faces?

Can't bear it!

Qingmen, a well-known criminal organization overseas, has a history of more than two hundred years.

And Guo Tianlin is now the head of the Qingmen!

These shareholders under him are all brothers and uncles who have worked hard with him over the years, and each of them is the boss of a country.

“The sect master, dare not to give us the face of the Qingmen, then this genius doctor Lin will stop living and kill him!”

“We Qingmen also have a lot of power in the country. Send some masters to clean him up, otherwise our Qingmen won't be able to get off the stage today.”

“Killing the whole family of the genius doctor Lin, none of them can be spared! Let them know what will happen if we offend our Qingmen!”

All shareholders roared in anger!

Hear the words!

Guo Tianlin said sharply:

“Assemble all the blue gates in the country and rush to Jin Chengen as soon as possible. I want to see how many catties the genius doctor Lin has!”

then!

The messages from the Qingmen were sent to all the sub-rudders of the Qingmen. All the masters of the Qingmen rushed to Jiangshi at the fastest speed!

And there is only one purpose, and that is to kill the genius doctor Lin! just!

Guo Tianlin's order had just been given, and he was reached as soon as a phone call!

“Who?”

Guo Tianlin is in a bad mood now, so he naturally doesn't give a good face at this time.

“Guo Tianlin, right? Introduce yourself, I am Xu Longxiang!”

Just listen to this!

The audience fell directly into a dead silence.

All the big guys in the green door are dumbfounded!

Dragon Tooth leader Xu Longxiang?

Why would he call them?

Even Guo Tianlin realized that something was wrong. Why would such a big man call him suddenly?

Could it be because of that genius doctor Lin?

“Something wrong?”

Guo Tianlin was neither overbearing nor overbearing, even if Xu Longxiang's call was really for the genius doctor Lin, at this time he could not accept it.

After all, this matter now has something to do with the face of Guo Tianlin and even the entire Qingmen. The other party is planning to kill his son-in-law, which is tantamount to hitting him in the face!

If this is not an act, then how will Guo Tianlin mess around on the road in the future?

“Come on! Doctor Lin, it's not you who can move!”

Xu Longxiang ho ho sneered and reminded Guo Tianlin.

It's really for the genius doctor Lin!

In an instant, Guo Tianlin's complexion became extremely ugly, and in the next instant, his complexion became cold, and he said very shamelessly:

“You said that you should stop when you stop. Then I don't have the face of Guo Tianlin? If you want me to stop, you can let the doctor Lin release my son-in-law first!”

bargain?

Xu Longxiang smiled on the other end, and smiled contemptuously.

If Guo Tianlin is bargaining with him, he may still think about it, but the problem is that Guo Tianlin wants to bargain with Lin Fan.

Is it worth it?
