

# Chapter: 1625

Right now, Xu Longxiang smiled and said:

“Guo Tianlin, I will warn you one last time, don’t drip this muddy water, your son-in-law must die in the hands of the genius doctor Lin.”

“If you dare to be more nosy, then you Qingmen, prepare to face the disaster of extinction!”

Fuck!

Guo Tianlin immediately exploded and shouted arrogantly:

“The old immortal, you think I can’t move that kid if you cover him. I will give you face to let you go. If you don’t give you face, I will kill the genius doctor Lin first, and then talk to you slowly. !”

“Do you think that Guo Tianlin was scared? You even dared to threaten me. Then see if your dragon teeth are strong or my young bones are hard!”

With the current forces of the Qingmen, as long as the four major military seats of China do not make a move, he is really scared!

“is it?”

Xu Longxiang stopped talking nonsense, and said playfully:

“Then I wish you good luck!”

With that said, he stopped talking nonsense and hung up the phone directly.

what!

After hanging up the phone, the faces of Guo Tianlin and others were unsightly, and it seemed that they were all surprised that Xu Longxiang would take the initiative to stand up and support one person.

“Who is that genius doctor Lin who can actually support Xu Longxiang for him?”

“Things have become a little complicated!”

These big guys are not idiots, otherwise they would not be able to sit in their current position. After Xu Longxiang specifically called Guo Tianlin, they realized what was wrong.

That kid, I’m afraid it has some background!

“Whoever he is, if you offend my blue door, you have to give us an explanation. Otherwise, how can we stand on the road in the future?”

“Don’t forget, Jin Chengen won’t be able to use that one of the incense masters of our Qingmen. If even he can’t keep him, who will respect our Qingmen in the future?”

“In the future overseas Chinatowns, including those arrogant foreigners, who else will be afraid of us?”

Guo Tianlin coldly snorted, and now he decided to go his own way. No matter what status the genius doctor Lin has, he must die today!

however!

It’s more than that!

After a long time, another phone call came in, and Guo Tianlin’s tone was already a bit irritable:

“Who?”

Then, a deep voice came from the other end:

“Long Jiu!”

Huh!

The entire conference room fell into a dead silence in an instant.

Everyone’s faces were filled with a deep horror, and they were obviously shocked by the name.

Another one?

First Xu Longxiang, now the commander-in-chief of Jiangnan?

Did their Qingmen stabbed a hornet’s nest?

Needless to say, they also know that the purpose of this call is for the genius doctor Lin!

Even Guo Tianlin couldn’t help panicking at this time.

This sudden upheaval also caught him off guard.

And at this time, waiting for him to start talking, Long Jiu’s murderous voice came from the other end:

“You people from the Qing Clan, as long as you step into my Jiangnan, I will kill one by one, and I will never tolerate it!”

“Guo Tianlin, if you want to die, then I, Long Jiu, will accompany you to the end!”

Toot toot!

There was no extra nonsense, so I just hung up the phone.

Quiet!

The whole meeting room was silent!

Everyone’s expressions are full of horror and anxiety!

First is Xu Longxiang, then Longjiu. What kind of terrifying background does that genius doctor Lin have?

A Xu Longxiang can’t put them in the eye, but if you add a Longjiu, then they have to weigh it carefully.

“Sect Master, I’m afraid this person can’t move!”

An old man said pale.

Judging from the extremely tough attitudes of Xu Longxiang and Long Jiu, the genius doctor Lin is definitely not a waiter, if he insists on moving him, he is afraid that something big will happen.

“No! What about Xu Longxiang, what about Longjiu, when did my Qingmen ever be scared? They won’t let me get through, then just squat!”
